Subject: **Promotion to Professional membership.**

Dear Sir,

It is observed that our faculty members are lagging in membership of the Professional bodies like ISTE, IE, IEEE, CSI, ISHRAE etc. The main cause is its high membership fee and faculty members do not show interest unless it is not very urgent and important to them.

Numbers of such membership of professional bodies are counted in many grading and accreditation of the Institute. In order to promote the membership of some reputed professional bodies as mentioned above, I would like put following suggestions

1. If the teaching faculty has more or equal to 10 years of experience, then the Institute (SNJB LKBJ CoE) should contribute 50% of the total membership fee limited to a maximum amount of Rs. 5000/- per member per year.
2. If the teaching faculty has an experience less than 10 years, then the Institute (SNJB LKBJ CoE) should contribute 25% of the total membership fee limited to a maximum amount of Rs. 3000/- per member per year.
3. If the teaching faculty resigns from his service in the same year in which he availed the benefits of professional membership(s), then the amount of membership should be debited to his account and recovered.
4. The extension of the above facility is only applicable to the faculty on probation or confirmed service.

Thanking You
