### ABOUT UNNAT BHARAT ABHIYAAN 2.0

#### Unnat Bharat Abhiyaan (UBA) 2.0

##### About UBA 2.0:

Unnat Bharat Abhiyaan (UBA), a flagship programme of the Ministry of Human Resource Development (MHRD) Government of India, is an opportunity to enable faculty and students of higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth.

Our institute has been selected as a Participating Institution (PI) under UBA 2.0 (2018-19).

#### Unnat Bharat Abhiyan (UBA)

Unnat Bharat Abhiyaan (UBA), a flagship programme of the Ministry of Human Resource Development (MHRD) Government of India, is an opportunity to enable faculty and students of higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth.

Our institute has been selected as a Participating Institution (PI) under UBA 2.0(2018-19).

We have adopted following villages for their development in collaboration with district administration:

1. Ganur
2. Parsul
3. Bhoyegaon
4. Shirsae
5. Bhatgaon.

UBA 2.0 Cell of our Institute will be coordinating this activity in coordination with IIT, Powai as a Regional Coordinating Institute and IIT, Delhi as a National Coordinating Institute.

# SNJB's Late Sau. KBJ College of Engineering Chandwad

Based on analysis of surveys in selected villages (Village and Household Surveys), the issues

/needs in the adopted villages will be identified. The proposed Village Development Plan is towards:

- Enhance agricultural productivity
- Eco Friendly sustainable technology and local resources
- Creating employment opportunity
- Empowerment of social fencing.

As per the guidelines of UBA 2.0, in order to move towards the holistic development of the villages, there are two major domains that need to be developed in an integrated way : human development and material (economic) development.

The major components of these two domains are as follows:

## ❖ Human Development

- Health
- Education and culture
- Values
- Skills and Entrepreneurship

## ❖ Material (economic) Development

- Organic agriculture
- Water Management and Conservation
- Renewable Energy sources
- Artisans and rural industries
- Development and harnessing of local natural resources
- Basic amenities
- E-support(IT enabling)

To,  
District Collector  
*Nashik..District*

**Subject: Identification of villages under the UBA program.**

Dear Sir

Ministry of Human Resources Development (MHRD), Government of India has launched the national program called Unnat Bharat Abhiyan (UBA), with the vision to involve professional and higher educational institutions in the development process of rural areas in the country to achieve sustainable development and better quality of life. Indian Institute of Technology, HauzKhas, New Delhi has been designated to be the National Coordinating Institute by the Ministry.

Our college – SNJB's Late Sau K. B. Jain College of Engineering, Chandwad (AISHE code - C-41499) has agreed to participate in UBA as a Participating Institute (PI). Mr Dipesh R Agrawal, (contact number - 8888253575, email-id – [agrawal.drcoc@snjb.org](mailto:agrawal.drcoc@snjb.org)) has been duly authorized in this regard from our side to carry on the activities of UBA in our organization as Project Coordinator. Under the UBA program every Participating Institute is to adopt a cluster of five villages in consultation with the Districts Collector. This is to bring to your kind notice that we have proposed the following villages in the district Nashik.

1. Patharshembe      2. Nhanave      3. Panhale      4. Ganur      5. Vitave.

In view of the above the Project Coordinator may contact your officer for the purpose. We request you to please help and cooperate in the matter.

With regards

Your Sincerely

Dear Sir

We have released the funds of Rs. 0.50 lakh in your bank account by NEFT electronic funds transfer from IIT Delhi under the UBA program. Please find the attached copy of UTR number, date of funds transfer and other details for further necessary action. **The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure.**

The next step is to complete the survey of all the villages adopted by you under the program. Please find attached a copy of a template for Baseline Household survey form as well as the Village survey form to be filled in during the field survey. An attempt should be made to cover all Households in the village. One Village survey form is to be filled for each village. Kindly get it completed in all respects as soon as possible. Then the data should be uploaded online on the reporting portal of UBA website from your side.

The Reporting Portal' login credentials are the same as your AISHE credential. Your login credentials have activated for UBA Reporting Portal to upload survey data on UBA website.

The collected village and household survey data will be uploaded online on the reporting portal of UBA website from your side. The Reporting Portal' login credentials are the same as your AISHE credential. Your login credentials have been activated for UBA Reporting Portal to upload survey data on the UBA website.

<b>Activity - UNNAT BHARAT ABHIYAN (MHRD, Govt of India)</b>
<b>Title of the activity: VILLAGE and HOUSEHOLD SURVEY (BHOYEGAON)</b>
<b>Day: 14<sup>th</sup> Jan 2019</b>
Address - Bhoyegaon, Tal - Chandwad, Dist - Nashik, Maharashtra Student Coordinator - 1. Badode Amol 2. Saurabh Jain Faculty Coordinator - Prof. D. R. Agrawal <b>Summary report:</b> A team of nearly 25 student volunteers from the institute accompanied by Prof. D. R. Agrawal visited Village Bhoyegaon on 14 <sup>th</sup> January 2019. The village is located around 12 km from Chandwad City. the volunteers have done the survey of 81 households.  <b>1st page of Household Survey Report :</b>  <b>Observations during the Survey:</b> 1. Drinking water is not available during summer 2. There is no Primary Health Centre, Private Clinic in the village, for which they have to travel about 12 kms to reach the nearest government hospital. 3. Agriculture here is totally dependent on monsoon as there are no major water bodies and water storage facilities available in the vicinity. 4. Due to the limited agricultural activities many families have migrated to the nearby cities in search of employment. 5. Majority of them come under the category of small and marginal farmers, hence per capita income is low  <b>Outcome:</b> After the survey, it was found that the village is deprived of many basic facilities like health services, public transport, water storage facilities, secondary school, etc. Majority of the people are unaware of the various government schemes which are meant for rural development  <b>No. of Student Participant for Survey: 25</b>

**Title of the activity: VILLAGE and HOUSEHOLD SURVEY (GANUR)**

**Day: 23rd July 2019**

**Address:**

A/P: Ganur, Tal-Chandwad, District- Nashik, Maharashtra

**Student Coordinator:**

1. Thackeray Gaurav Arun
2. Thakare Ajay Balu

**Faculty Coordinator:**

1. Mr. D. R. Agrawal

**Summary report:**

On 23 July, 2019 Faculty and student coordinators team visited Ganur to complete primary village survey to plan house-hold survey in coordination with Sarpanch and Gram Sevak. A meeting was conducted with Sarpanch, Gram Sevak and a few senior representatives from the village.

A team of nearly 35 students from SNJB's LSKBJ College of Engineering accompanied by Prof. D. R. Agrawal visits the village Ganur.

The team managed to fill about 106 Household Survey Forms from these families of various backgrounds.

**Observations based on /during Survey:**

1. The villagers cultivate onions during Monsoon and seasonal vegetables season and most of the agricultural activities are based on rain during 4 months in a year.
2. No major source of income other than agriculture and hence a lot of migration to nearby city areas has been observed.
3. Hygiene is quite maintained in most of the regions.
4. No Primary Health Center in the village.
5. No doctor in the village.
6. Water supply is consistent whereas the electricity is fluctuating as per wards.

As per the observations and survey data collected, the solutions like water purification system, sewing machine to women self-help groups, solar lights, smokeless chula, etc., can be provided

**Outcome:** The Proposal for projects that can be implemented is under process.

the villagers under Unnat Bharat Abhiyaan, the initiative of MHRD, Government of India. On 26th July, 2019 Faculty and student coordinators team visited Parsul, to complete primary village survey to plan house-hold survey in coordination with Sarpanch and Gram Sevak. A meeting was conducted with Sarpanch, Gram Sevak and a few senior representatives from the village.

A team of nearly 35 students from SNJB's LSKBJ College Of Engineering accompanied by Prof. D. R. Agrawal visited the village.

the team managed to fill about

60 Household Survey Forms from these families of various backgrounds.

### **Observations based on /during Survey:**

1. The villagers cultivate onions during Monsoon and seasonal vegetables season and most of the agricultural activities are based on rain during 4 months in a year.
- 2.No major source of income other than agriculture and hence a lot of migration to nearby city areas has been observed.
- 3.Hygiene is quite maintained in most of the regions.
- 4.No Primary Health Center in the village

No private doctor visits.

6. Water supply is consistent whereas the electricity is fluctuating as per wards.

As per the observations and survey data collected, the solutions like water purification system, sewing machine to

women self-help groups, solar lights, smokeless chula, etc., can be provided

**Outcome:** The Proposal for projects that can be implemented is under process

## 4. Energy Conservation and Efficiency Program: Policy, Quiz Conducted at College Level

SNJB's Late Sau. KBJ  
College of Engineering Chandwad

---

### Water Conservation Policy

SNJB College of Engineering promotes sustainable water usage, reduces waste, and promotes responsible water use.

**Repair and Maintenance:**

- The institute shall ensure that all plumbing fixtures, including toilets, faucets, and showers, are regularly inspected and repaired to avoid any water leaks.

**Water-Efficient Landscaping:**

- The institute shall use water-efficient landscaping techniques to reduce water consumption, such as selecting native plants that require less water, use of drip irrigation, and mulching.

**Educational Programs:**

- The institute shall develop and implement educational programs on water conservation, including seminars, workshops, and outreach campaigns.

**Promotion of Water-Efficient Practices:**

- The institute shall encourage students and staff to adopt water-efficient practices, such as turning off taps when not in use, taking shorter showers, and using a broom instead of a hose to clean outdoor spaces.

**Water Reuse:**

- The institute shall explore the possibility of reusing treated wastewater for non-potable purposes such as toilet flushing, irrigation, and cleaning.

## SNJB's Late Sau. KBJ College of Engineering Chandwad

### Monitoring and Reporting:

- The institute shall regularly monitor and report on its water consumption, and progress towards achieving its water conservation goals.

### Collaboration with Local Authorities:

- The institute shall collaborate with local authorities and other stakeholders to develop regional water conservation initiatives and promote sustainable water use.

### Review and Updating of the Policy:

- The institute shall periodically review and update this water conservation policy to ensure that it remains relevant, effective, and aligned with the latest developments in water conservation practices.

By implementing the above policies, the education institute can promote sustainable water usage and contribute to the larger goal of conserving this precious resource.
