

SNJB's Late K.B.Jain College of Engineering Chandwad.

## SUSTAINABILITY CELL

*sustainability*

2020-2021 REPORT

## Objectives

The Sustainability Cell has five primary operating objectives:

- **Leadership** - Provide information, resources, and strategic guidance to faculty, staff, and students.
- **Policy Development** - Develop policies that promote environmentally sensitive behavior by campus users.
- **Projects & Programs** - Create, implement, and manage innovative programs and events that integrate sustainability into operations, research, academics, and engagement.
- **Monitoring** - Establish metrics and track sustainability performance.
- **Outreach** - Share SNJB COE sustainability story and encourage the campus community to contribute to its growth and success.
