PROF. CHAVAN S.B.

Welcome to the department of Applied Science at SNJB'S COE, Chandwad. The department of Applied Science is strengthened with of Basic Sciences Faculty.

The foundation of engineering education is laid through the knowledge of Basic Principles of physics, chemistry & Mathematics.

Engineering is incomplete without Application of Science & Technology.

Overall Personality of students is developed through effective planning, organizing Motivational Seminar, Guest lecture and controlling teaching learning process and various co-curricular and extracurricular activities for the first year student.

To create an awareness about the functioning of our department, we publishing or taken an initiative to bring out NEWS BULLETIN.

VISION-MISSION

VISION

To incept the fundamental values of science towards engineering education through commitment and excellence in delivery.

MISSION

- 1) To establish connectivity between pure science and engineering technology.*
- 2) To provide knowledge based solution for technological and social development.*
- 3) To promote scientific skill and applications towards students Intellectual and meet challenges.*
