# FROM HEAD OF DEPARTMENT CORNER

**DR. M. R. SANGHAVI**

It gives me great satisfaction to welcome you all on behalf of the entire Computer engineering department.

Happy to share the release of **Computer Buzz**, Vol-6 Issue-1. Dedication, Devotion and Determination are keys to success in any endeavor. With the due respect Department of Computer Engineering believe in the philosophy of “Learning by Doing”.

It is heartening to see the transformational programs of our government such as Digital India, Skill India, Stand-Up India. In the same context our department has adopted the practical solutions based on ‘**Digital Theme**’.

Department aims to ‘**Go Green**’ by using digital technology and making the system paperless ultimately saving the environment. The department encompasses a fine blend of renowned as well as young and dynamic faculties who promote the theme using the digital medium ; the **blog** for sharing their teaching and other technological information making it global ; **Google Classroom** for interacting with the students to upload their assignments/classwork which students can access any time, any where ; **Google Forms** to conduct mock tests for Online Examinations.

Apart from academic activities, encouragement to appear for extra as well as co-curricular activities and many other academic excellences certainly pave a red carpet welcome to the hard working students in the department. **Parent Teacher Meet, Salesforce Training, Internship Program** & multiple programs under banner of **CSI & SPACE** are highlights of this semester.

The Alumni of the Institute have done exceedingly well in all walks of life at both national and international levels, brought name and fame for themselves as well as to their parent institute. The Institute takes pride in their success.

Our students have achieved the pinnacle of success by getting placed in Top MNCs like **Infosys, Wipro, TCS, Eternus, Mohasis** & many more...
