We are happy to know that department of Civil engineering is bringing out their 'sixth' Yearly bulletin, which would provide an opportunity to the pupils to express their creativity that lead to the development of divergent thinking. We thank to efforts of the faculties and students of Civil Department. This bulletin is truly the reflection of the interest of the students involved in technical and cultural endeavors.

The Endeavour of Civil department in organizing educational, curricular and social awareness activities for overall development of the young minds of the country at different places deserves appreciation, as it has ensured to make the youth as strong and responsible citizens of the country.

Wishing you a grand success in future...!

PRINCIPAL

Dr. Mahadeo D. Kokate

Happy to observe the sixth consecutive edition of the bulletin being brought out by Civil Engineering Department.

I am indeed proud that you have persevered in your efforts despite work pressures, having to live up to expectations and above all, having to keep up high standards that have already been set.

Let me express my sincere congratulations and appreciation for all those who worked tirelessly behind the success of this bulletin .

From

Head of department desk

Dr. Yuvaraj L. Bhirud

It gives me immense satisfaction to welcome you all on behalf of the entire Civil Engineering Department of the SNJB's Late Sau. K. B. Jain College of Engineering, Chandwad.

Our Department has a team of qualified and experienced faculty members and well equipped laboratory. Within a short span, it has achieved the lead in many areas of Academics, Cultural, and Sports. The department has set up a great tradition of producing eminent engineers who are competent and committed to the high professional standards in the field of engineering and technology.

Department of Civil Engineering will always strive to deliver their Best.

VISION

To empower students to get knowledgs and excellence in civil engineering and to cultivate a sense of commitment to society

MISSION

- To develop outstanding Civil Engineering graduates with highest ethics
- To Provide advanced skills of learning which helps to travel the journey from academics to industry
- To impart basic Knowledge to serve the society.
