

2.3.3 QIM Teachers use ICT- enabled tools for effective teaching & learning process including online e-resources (500 words)

"Information and Communication Technologies." ICT refers to technologies that provide access to information through latest way. It is a very important tool to communicate, create, disseminate, store and manage information's. Now in today's modern education era, it has also become integral to the teaching learning interaction. Computer, video conference, software, laptop audio, TV, newspaper are the most important ICT tools.

Computer-based learning: Computer-based learning is one of the modules of school communication tool that helps students to enhance their learning skills through computer aided education. It imparts computer knowledge in students and enables them to obtain large amounts of information from various websites. After two decades of introducing computers to schools, education has been revolutionized ever since then. It reduces time spent on mechanical tasks such as rewriting, producing graphs and increases the scope of searching. It not only helps in finding information but also in organizing information making it easier to share with others.

Classroom Learning: With the introduction of ICT in education, classroom learning is one attribute that makes learning experiential and experimental to students. Students can listen to the instructor or teacher, receive visual cues through PowerPoint images, handouts or whiteboard lists and participate actively. This helps in immediate interaction and students have opportunities to ask questions and participate in live discussions. This school communication software module further benefits in building and maintaining personal and professional relationships as classrooms offer greater personal contact with other students and teachers.

SNJB develop ERP software module for students & teachers for preparation of time table preparing lesson plan, students attendance record etc. Institution organizes various training programme for teachers to get well verse with new technologies. Every department is equipped with computers & internet wifi facilities, every classroom having ICD projector & A. V. aids so as to extend good quality of digital learning to students. With ICT enable tools student can get information of their attendance & various departmental activities through different WhatsApp group headed by class teachers. More than 50 computer available for students & teachers. Library having separate computer with internet facilities for only students.

In our institute maximum teachers are digitally literate and trained to use ICT their approaches can lead to higher order skills provide, create and individualized option for students to express their understanding and leave student better proposal to deal with ongoing technology. **Power point presentations, software, CD, recent evidences (FMT dept.), YOU tube, transparencies etc.** are the common aids, we are using to make teaching & learning more effective.

LIST OF TEACHERS USING ICT ENABLED TOOLS-

SR.NO.	DEPARTMENT	NAME OF TEACHER
1	Anatomy	1. DR. V.V. GHODAKE 2. DR. A.N. BRAHMANE
2	Physiology	1. DR. S.S. THORAT 2. DR. M.H. PAREWAL
3	Pharmacy	1. DR. MRS. P.P.KAPADNI
4	Pathology	1. DR. N.V. DOSHI
5	Forensic medicine & toxicology	1. DR. MRS. S.S. THORAT
6	Surgery	1. DR. MRS. M.P. MAHAJAN
7	Gynaecology & obstetrics	1. DR. MRS. J.R. SURYAVANSHI 2. DR. MRS. S.R. KALE
8	Medicine	1. DR. A.N. BINAYAKE 2. DR. N.V. DHAWANKAR
9	HMM	1. DR.MRS. S.N.DOSHI 2. DR. P.S.ABAD 3. DR.S.N, PAREEK 4. DR. MRS. S.K. GHODAKE
10	ORGANON	1. DR. A.O. DAHAD 2. DR. MRS. A.N.KULKARNI
11	REPERTORY	1. DR. MRS. A.S.PAREEK 2. DR. S.I.CHORDIYA
12	COMMUNITY MEDICINE	1. DR. C.B.KHOT 2. DR. A.P. JAGZAP
