

2.6.4 (QIM) Presence and periodicity of meetings of parent & teacher meetings, remedial measures undertaken & outcome analysis (within 500 words)

Periodic meeting for parent teacher interaction is the vital process for the upliftment of institute. Here as our institute is situated at rural place, we have little difficulty for conducting such meetings regulary. Still we are doing following things at our best:

- internal examination progress report & students attendance in class is made post regulary
- Parents are suggested to attend meeting/ counselling of those students who failed in M.U.H.S. examination
- Student welfare committee also play a vital role to bridge the gap between student & teacher
- Hostel girls have compulsory to go with parents during vacation period. Durng this time parent can meet to subject teacher .
- sometime tele-communication to parent is made for emergency purpose
- parents also suggested to make their son/ daughter to attend repeaters classes which will help he/she to get through examination.

21/03/2019.

A meeting is held in Principal's office of teachers & parents association at 3pm to discuss following points related students.

Expectations of parents from the teachers & college -

- Special attention should be given to the repeaters.
- Extra lectures & practicals should be conducted for them.
- Test should be conducted for them (monthly).

We all members of Teachers & parents have decided about the above work & gave promise to the parents who were present for the meeting.
