No

No difficulties

Nothing

No difficulty

Not clearly audible teacher voice

This is only one difficulties otherwise no other problems faced during E-learning.

Network issue

No clarity

We are not audible sometimes we can't understand what teachers say exactly. Due to the range issues we suddenly disconnect from the conference lectures like zoom and sometimes host will not allow to join again.

Good

..

This activity are very helpful to us to understand the remaining chapters.

This is the best source of education during lockdown

Our clg is really cooperating with us during such pendamic situations.

Make the video of required topic not on online lecture that is not effective.
