For
ION EXCHANGE (I) LTD.

*Katvasi,
As per discussion with
Hon. Mandubhai, he has given
consent on phone. So give the P.O.
with advance payment.
16.9.2020 2PM.*

21. Force Majeure: Neither party shall be liable for the non-performance of its obligations under this agreement where such failure is due to force majeure i.e. due or attributable to any act of God, orders, restrictions or regulation of Government, Central or State, war, working conditions, hostilities, riots, civil commotion, strike, lock out, labour trouble, explosion, or any other cause or circumstance of whatsoever nature beyond control.
22. Up gradation: In case product needs up gradation due to reasons not under control of Ion Exchange (India) Ltd., customer has to accept up gradation at prevailing rates.
23. Any date or period of time mentioned in this Contract shall be treated as the essence of the Contract unless otherwise mutually agreed upon.
24. Any disputes are Subject to Mumbai Jurisdiction.

Warranty /Contract APMC Inclusions (Customer)

1. Any additional visits during the contract period, as and when required, in the event of any breakdown / malfunctioning of the equipment, on intimation in this regard by the customer.
2. This contract covers Replacement of worn-out / exhausted parts, "including electrical and electronic parts" with new/rectified spares during the periodical servicing or breakdown visits during the services contract period.
3. Warranty /APMC Inclusions :
 - a) All electrical/functional components such as Motor, Solenoid Valve, Switches, Controllers, Display etc.
 - b) Consumables (Membranes/Filters) failed within one month of installation/contract Renewal provided water conditions within stated conditions and consumption of water within prescribed limits.
4. Warranty/APMC specific exclusions:
 - A) All Consumables like Membranes, sediment, carbon filters all not covered under warranty or contract. In APMC contract at the time of renewal IEL changes all membranes and filters as a part of APMC contract renewal.
 - B) No plastic part such as dummy Body, faucets, water tubes, vessels, water tank are not covered
 - C) IIN Tank is not covered under warranty/APMC contract either.
5. The Contract shall not cover visits/replacement of parts under the following circumstances :
 - a) Damage caused to the water purifier due to floods, fire, accident, riot, breakage, post misuse, improper or negligent use, tampering, leakage from pipes etc.
 - b) Damage caused to the water purifier due to failure to observe the operating instructions and precautions as mentioned in User's Manual.
 - c) Defects due to usage of non-recommended spares.
 - d) Visits for customers re-training or for re-installation at a different location.
 - e) Defects / failures resulting from servicing / repairs done by a person other than the authorized representative of Ion Exchange (India) Ltd.
 - f) Where this equipment is under use for more than 8 hours a day continuously, unless otherwise agreed in writing by Ion Exchange (India) Ltd.
 - g) Replacement of EVA Tube & PL tube.

With regard to repairing the existing worn-out/defective part(s) or replacing the same and ascertaining the presence of above circumstances, the decision of Ion Exchange (India) Ltd shall be final. In any such event, Ion Exchange (India) Ltd. will submit a prior estimate for approval or bill for the work carried out at the prevailing rates.

6. Service under this contract exclude the following :
 - a) Painting / Replacement of the body spares.
 - b) Chrome plating of the nuts and other styling decorative materials.
 - c) Plumbing work not part of machine supplied.
7. For repairs necessitating the removal of the Water purifier or any parts thereof, to Ion Exchange (India) Ltd. Service Centre or Factory, there shall be ₹5 additional charge for the labour. However, in such cases

- incidental expenses incurred like freight, packing, insurance, doctor, etc., will have to be borne by the customer
8. The water purifier must be in good working condition and the same to be certified by the authorized representative of Ion Exchange (India) Ltd., before this contract becomes effective. The customer shall pay the necessary charges in the first instance for rendering the equipment so workable, for which Ion Exchange (India) Ltd. will submit an estimate for approval. This clause does not apply if a contract is renewed from the next day of date of termination of the warranty period or previous contract period.
 9. The water purifiers should be made available for servicing as and when our Authorized Service Technician calls on his periodical servicing visit. Failure to do so will be treated as a service rendered and no refund shall accrue on this account.
 10. Every visit by Authorized Service Technician will be made within reasonable time from receipt of a complaint for breakdown of the equipment and will be made only during working hours of our Service Department and no visits will be made on Sundays / Holidays
 11. The liability of Ion Exchange (India) Ltd. shall be limited to providing service and replacing spares as covered by this contract & Ion Exchange (India) Ltd. shall not be liable for damages, death, injuries or any consequential damages of what so ever nature to any person or property, by use or operation of the product.
 12. In order to enable Ion Exchange (India) Ltd. to discharge its obligation under this contract, the customer shall notify in writing any change in his address within 10 days of such change. In default whereof, Ion Exchange (India) Ltd. shall not be obliged to perform its obligations under this contract till it receives such an intimation from the customer. In such an event the removal and re-installation of unit will be done at an additional cost as per the rates prevailing on the date.
 13. This contract is neither terminable before the expiry period nor transferable in the event of resale / gift to any other person.
 14. This service contract is offered only within the municipal limits of your city. However, an additional amount will be charged extra at actual for each visit made beyond these (50 kms) limits but within the metropolitan area and will have to be paid in cash to the Service Technician attending for which a cash memo / bill will be given.
 15. Contract charges are payable by Cash or Cheque / DD favoring Ion Exchange (India) Ltd. in advance and payment shall accompany the signed copy of the contract and such payment shall be realized before the commencement of the contract period.
 16. Renewal of the Service Contract after its expiry will be at the sole discretion of Ion Exchange (India) Ltd. and depending upon the model / age of the product.
 17. It shall not be the responsibility of Ion Exchange (India) Ltd. to send any reminder or any such communication to intimate the expiry or renewal of the contract. The onus of renewing the contract rests with the owner.
 18. In the event of any complaint, please quote your name, address and the contract number to the nearest authorized service centre.
 19. This contract sets out all the terms and conditions of which Ion Exchange (India) Ltd. agrees to service the water purifier and cancels and supercedes all prior agreements, undertakings or arrangements, oral or written between the parties on the subject matter.
 20. Modification and Variation: No modification or variation of this Contract shall be binding unless it is made in writing and signed by the Contracting Parties.
