Significant initiatives implemented by the committee to render the library, student/user Friendly

- For the convenience of users, the books are placed according to streams and DDC
- classifications.
- Library provides Open Access Facility to students and faculties.
- ERP software is used for easy access to identify books.
- The students have been provided with excellent environment for studies.
- Daily newspapers, journals / magazines are made available in the reading room.
- Giving due considerations to the students request, library reading room timings are extended during examination period. The students are allowed to carry their own books in the library for study.
- Online journals are made available through college server within the campus to access electronic resources such as ELSEVIER (science direct), J-GATE, (Social and Management Science).
- Library provides OPAC (Online Public Access Catalogue) facility using ERP software
- Spacious study rooms are available.
- The library also provides NPTEL video series in the central library server.
