

Best Practice: 2

1. Title of Practice: Internal Examination System

2. Objectives of the Practice

- To prepare them for Final Exams
- To improve overall result in Final MUHS Examination.

Intended Outcomes:

- Help to identify weaker students and concentrate on them to improve their performance in final university examination through mentoring sessions.
- Help to identify advance learners and encourage them for further study.

3. The Context

We have continued this process of conducting the internal examination of Students in the form of test, term end, semester, preliminary exams, etc. to improve their performance in final university examination.

4. The Practice

We conduct one term end exam and one preliminary examination every year in general besides tests, sessional exam by department in particular. Our college maintained the process of examination and which is conducted as per MUHS question paper pattern to improve student's confidence and preparation for the final exams. Practical examination is also conducted according to university pattern. Objective of this is to assess the student & to guide them regularly regarding their performance, ultimately to improve their performance in their final University examination.

Through this we can concentrate on academically poor students.

5. Evidence of Success

- Evidence of success of the above best practice is reflected in the Final MUHS Result of last 5 years of IV B.H.M.S
- As of today, SMT.KB.ABAD HOMOEOPATHIC MEDICAL COLLEGE always ranked in top 5 institutes in all over Maharashtra, as well as students able to score top and gold medals in MUHS.
