

DETAIL OF SPECIALTY OPD, PHYSIOTHERAPY AND YOGA

- Hospital is running well established homoeopathic and general OPD. During working it is observed that many patients of similar symptoms of advance diseases approaches to OPD, so idea of Specialty OPD aroused and hence hospital authorities decided to start specialty OPD. In which Endocrine System is selected where cases of Thyroid disorders, Obesity, Menopausal Syndrome, Diabetes Mellitus etc. are checked and treated efficiently; counseling of the patient is done wherever necessary.
- We have good number of orthopedic and surgical patients, also hospital appointed full time orthopedician so need of physiotherapy come in thought which may help in giving better recovery, full time physiotherapist was appointed. To give better results instruments like SWD, IFT, TENS, US, Electric Traction etc. added in physiotherapy department.
- Mental stress and physical exertion is increasing day by day, which hampers health of person. To avoid future health issues need of yoga and meditation is must. Considering such needs, institute already having full time yoga teacher, who is taking care of patients as well as staffs of college and hospital.
