CHAIRMAN MESSAGE

Shri. Bebilal Kesharmalji Sancheti
Chairman

It had always been a dream of SNJB to build a conglomerate of institutions for quality, innovation, excellence and create graduates with knowledge and competence.

Shri Neminath Jain Brahmacharyashram (SNJB) a Trust has its primary motive of providing “Quality Education” to the budding youth which in turn would translate into service to the humanity in general and to the society in particular. We pay great deal of attention to our academic excellence and cultural ethos which include constant updating of details, continuous evaluation and improvement of systems and students.

Our endeavor is to ensure that every student’s needs and expectations are fulfilled, thus enhancing their ability to acquire and apply knowledge.

Our highly professional and dedicated faculty, drawn from academia and industry, possessing impressive credentials and missionary zeal in teaching are deeply involved in shaping careers of the students at SNJB.

We strive hard to educate and equip our students to get placed in top notch corporate and business units, by transforming and topping the latest potential and talent dormant in them.

Since we believe in and have an unswerving conviction in well rounded personality and holistic development, we encourage our students to participate actively in various extra-curricular activities.

Above all we also concentrate on enforcing nationalism and the noble values of our rich tradition and culture.

I have great pleasure in extending a warm welcome to the prospective students.

CO-ORDINATOR'S MESSAGE

In the quest of knowledge and with a mission to empower the students to become excellent human resources, to contribute meaningfully to the Nation and the society, SNJB has started its Homoeopathic medical College in 1989. SNJB has a rich tradition of pursuing academic excellence, value based education and providing a conducive environment for overall personality development of students since 1928. In addition to excellent teaching, the faculty members are actively involved in the grooming of the students.

The academic programs provided are comprehensive and as per the affiliated university and are continuously being upgraded over and above the university syllabus to keep pace with latest developments and innovations in associated disciplines with necessary blend.

Our objective is to create a breed of qualified, innovative and dynamic health services for self-employment, academic & research institutions of socio-economic importance & for serving the society.

We strongly believe in human values and our commitment to the Nation and society. Accordingly, our teaching-learning process is based on motivating factors, discipline, although in relaxed natural ambience. We are determined to help our students to understand the power of words, appreciate the beauty of languages, and learn the art & science. Infrastructure, curriculum, faculty, students & patients considered the basic components of education system are perfectly blended to ensure our vision.

We have created a secured, congenial and serene environment for both boys and girls students to make it their coveted educational destination.

Jain Gurukul or SNJB, established in 1928, is nucleus for value based education. Smt. K. B. Abad Homoeopathic Medical College & Shri. R. P. Chordiya Hospital started imparting quality education in Homoeopathy since 1989 & is affiliated now to Maharashtra University of Health Sciences, Nashik from 1998 onwards, with the kind permission of Government of India, Government of Maharashtra & Central Council of Homoeopathy, New Delhi.

The Institute is located in a holy village Chandwad, Nashik district, 60 km North to Nashik on National Highway No. 3 (Mumbai - Agra Highway) at a cool, pollution free environment.

The Institute is being managed by the able hands of SNJB, a Jain Minority Trust, which is spiritually motivated and is committed for a greater cause of value education, to build a better society.

With the intake of 100 at UG level, meritorious students who are successful at 12th standard with PCB group & CET are provided with an opportunity to learn the Homoeopathic system of therapeutics. And at PG level, 12 students after PG entrance test & One PhD in Organon of medicine subject are permitted to continue their PG education in Homoeopathy.

At this divinely blessed holy environment the students get their primary amenities such as a convenient stay at hostels, homely parental care and security along with delicious healthy food. Sophisticated gymnasium to stay fit & other requirements such as beverage vending machines along with Bank, ATM & post office all available within the campus.

Discipline is maintained at every nook & corner of the entire campus. Uniform dress code is maintained and strict vigilance under CCTV surveillance to curb the unhealthy trends e.g. ragging etc. Mobile phones are prohibited in the campus & their use in the campus is discouraged.

The academic training is imparted in spacious, adequate light & ventilated lecture halls equipped with audio visual aids & practical demonstrations in fully equipped laboratories by experienced & highly qualified faculties. The departments are full - fledged with all the teaching aids as charts, models etc. Ultra modern Digital Library with internet is readily accessible along with traditional collection of versatile

information such as books, periodicals, journals & references to quench the thirst for the knowledge of needy students.

From paraclinical curriculum, the practical & clinical training is imparted at Hospital. The teaching hospital is well equipped with specialists and modern diagnostics along with OPD, IPD & Casualty services. Mobile clinics are meant for regular medical camps at nearby villages to reach the patients and deliver the Medicare at their door step.

The heritage of lecture centered teaching methods, variety of co curricular activities such as Quiz, Seminar or Work shop and extracurricular activities such as Sports & games or cultural gathering are maintained periodically to boost up the academic training. Eminent guest teachers in the faculty are invited regularly to update the knowledge through seminars. Research activities by PG medicos under the supervision of senior faculty are an additional asset for the students.

The students who got trained and acquainted with skills at such an environment which is charged with positive energy reach to toppers list at University levels and later such alumni are positioned in the society as skilled Homoeopathic practitioners who add feather to the cap of our institute.

Thousands of words can never fill up the gap of an experience. May thyself bless us with wisdom & opportunity to judge.

... I remain.
