Internal Quality assurance cell (IQAC)

Action Taken Report

Internal quality assurance cell (IQAC) has conducted following activities in academic year 22-23

1) IQAC recommended all the departments to conduct guest faculty Lectures and medical camps ,accordingly department of **HMM,Organon ,Repertory** conducted various guest lectures ,by eminent Homoeopaths of INDIA ,as well as health check up camps conducted by HMM department .

2) **Mega CME organised in association with IQAC and PG Departments On 12th April 2023**

National level CME conducted on hybrid mode (online and offline) on "interdisciplinary approach to management of pain "where speakers were

- Dr.prasad T Kasliwal
- Dr.shishir Pande (MD Ayurveda)
- Dr.Akaram (Unani specialist)
- Dr.Shrunkla (physiotherapist)
- Dr.A.O.Dahad (Homoeopath)

Speakers from different steam line delivered their thought process on topic.

Total 200 participants attended conference all over India and certificates distributed to all the participants.

3) Implementation of **LMS for fully automation** of library is done as per suggestion of IQAC, but functioning is going on partial level, in future function too with full automation.

4) **Insurance policy work for faculty** is in progress, Quotation taken from post office and few other insurers for comparison, it was decided and management member informed management member is going to pay premium, principal sir informed that we are waiting for good proposal and probably in June 23', insurance policy may be done .as per IQAC decision work is in progress

5) **Research proposal**

Total 9 IQAC initiated research projects have been started, along with criteria 3. Gantt chart, synopsis, planning have been done by all the groups to complete projects in next 6 months (as it was decided but projects couldn't start in said time ,so it was decided and instructed by IQAC to finish projects till August/September 23')

6) **Initiated various ICT based activities** through seminar, workshop so "outcome based education "(OBE) organized by criteria II and IQAC on 30th November 2022.

7) IQAC cell time to time motivated other Homoeopathic colleges to accredit so accordingly many other colleges visited IQAC work process .**training and orientation given by IQAC to other colleges.**

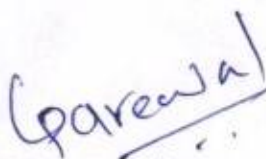

8) Higher education technology cell (HSET) of college and IQAC organized **various teaching skills training programmes for faculty.**

9) **DIGITAL DETOX DAY**

On 13th February 2023, all the digital gazettes like mobiles, laptops etc .prohibited and digital detox day celebrated.

10) All the criteria coordinators and members **prepare AQAR for academic year 2022-23**

11) **Feedback are collected** for the year 22-23 from teachers, students ,alumni employer and professional through Google form and same is going to analysed and submitted to the management for appropriate actions .
