Fabulous event

It was informative

It was such an informative event conducted by all the organizers

It was a powerpack session, got to know many new things, approaches of all the pathies.

It was very good and informative session through out. Thank you.

It was excellent event..

It was new learning rather than study i learn punctuality and good coordination among team
thank you

It was very nice and knowlegbe event from all the disciplines of medical school

Want Homoeopathy sessions for more hours and in depth.

It was very informative and productive event. Organisation and time management was perfect.

Very informative and nice concept

It was conducted beautifully...seeing all the pathies together was a great experience

It's excellent

The event was very helpful

The drawbacks of each pathies and how one pathy can fulfill the drawback of another pathy..
This should be included

Indication of Homoeopathic Medicines in pain is lacking

Was helpfui

Event was very interesting and very informative

Awesome

Sometimes it is monotonous

Very well collaborated

Very nice CME was Arranged

Very well managed.

It was very nice and informative session. We want many more sessions.

Seminar was very much informative

Very nice event ...it is very helpful for future practice

You should explain in detail how to manage pain ,with medicines

It was very useful session

Innovative and informative

This shall be continued in series.

The seminar was quite informative...which added many new concepts to our knowledge.

Well organised

It was very nice and informative conference, we learn various aspects of pain management according to various pathies i.e allopathy, homeopathy, unani, physiotherapy, Ayurveda.... So it was very good session over all

Online presentation measure should be improved

Nicely conduct

The seminar conducted was good

Informative event.

Thank u

Very very excellent event

Very Useful and knowledgeable sessions

I was a very nice session.

Very nice event

None

The event was conducted excellently

Good n informative

The most best part was its the topic of seminar and also we got know much about other pathies as well very usefull session it was

Got to learn about many things and about management of pain

It was quite good event

The event is very excellent. I studied a lot

Excellent session and Kind Hospitality, would like to joine many more

Nice CME . Detailed explanation of all the system of practice were given with relevant information and advances

Please conduct this again with another topic

It was very good and informative session and new concept to put all pathy in one platform

It was first of its kind when such a event was available on one platform

Very useful for students

It's very nice session

Thank you for everything

These event is very beneficial for us..today i get idea regarding all the concept of different pathy

It was very nice session. We want many more sessions for improving our knowledge.

Nice event. Within one day of session gaining some amount of knowledge from different pathy... will be really helpful

Please improve quality of audio visual system for online participants.

Best event

It was very enlightening

The best thing about this event was that it was INTEGRATED .Due to this event we got basic info regarding every pathy. It made me realize how differebt pathies aim for one , but have different ways.

It was very nice and informative seminar ...learn various ways to manage pain

Was an extraordinary event conducted , looking for more such events to happen.

I appreciate the oppotunity I got to gain knowledge and learn more about other medical fields
