Excellent

The classes are very excellent

We need some visits to another hospital or some camps to interact with patients and study

Everything is good

No need to improve

The experience is much better and perfect

It's all excellent

No any but teachers are very strictly work are doing students

No improvement required

All facilities of our college are good they share everything with us regarding the knowledge of homoeopathy they also give us practical knowledge very well. The facilities are trying to make us practically not good but best homoeopathic doctor

Everything is well and good in the institution. Faculties are much more supportive and motivators..

Everything was good

good

Nothing all is good

Overall was good

Everything is great at my college—the teaching staff, non-teaching staff, hospital staff, and hospital facilities. A lot of attention is given to cleanliness everywhere. All the professors are very supportive. It makes me very happy to see such an institute and its facilities. Projector screenings and everything else are available, providing exposure to all aspects. I am very happy to have taken admission in this college.

Everything is very well

All good

After lecture the particular teacher should summaries the concept in short

This is good but need some changes as well

Teachers should be more friendly with whole class & not just with few students.

Nothing, everything in our college is very well done

It's good

All good.

No any suggestions

All good. No improvement needed.

No any

The overall teaching- learning experience in the institution is satisfactory and good.

Overall a good experience

The teachers use all the possible ways to teach the students that they may not find any difficulty during their studies.

nothing

Everything is good teaching and clinicals also good

Teachers are doing partiality during giving marks in

Overall it was good

All are good

Everything is great

Clinical exposure with real life patient practice could be increased

...

No need for suggestions

No more need

Everything is conducted very well so there is no query regarding teaching

No

.....

More focus on practical base learning than the theory base learning

Overall good going! Can build moree stronger student interactions in an healthy way...more exposure to other activities and skills

Need more practical based learning

1st bhms experience was good. Interaction is necessary between student and teacher.

No any suggestion

Class test in every week or every month.

My observation about teaching learning process are excellent

All are vood

NA

Overall the 1st year experience was great!

Over all the experience was very nice ani helped greatly in my personality development

Everything is fine no need of any change
