Action Taken Report:

1. Enhanced Use of Teaching Aids and Materials:

- o **Feedback:** While the majority of students rated the use of teaching aids and course materials as 'Excellent,' a portion of the feedback indicated room for improvement, with some students rating these aspects as 'Very Good' or 'Good.'
- o **Action:** The teaching aids and course materials will be further enriched by incorporating more diverse resources such as interactive digital tools, updated case studies, and supplementary reading materials. These enhancements aim to cater to various learning styles and ensure that all students find the materials both engaging and comprehensive.

2. Optimization of Lecture Sequence and Content Flow:

- o **Feedback:** Although the lecture sequence was well-received, with a significant number of students rating it as 'Excellent,' there were a few students who rated it as 'Good,' suggesting a need for more cohesive content delivery.
- o **Action:** The lecture sequence will be reviewed and restructured where necessary to improve the flow and coherence of the content. This might involve rearranging certain topics for better logical progression or integrating brief recap sessions to reinforce understanding before moving on to new concepts. This adjustment will help ensure that all students can follow the course content more effectively.
