7	How effective is our college in facilitating connections and networking opportunities for students within your industry?	1			
8	How would you rate the relevance of the coursework offered by our college to the current needs and demands of your industry?		2		

1. Write out the additional abilities you wish your employee had learned in college:

As of now college is doing excellent work to develop technical skills of the students. College also needs to develop the students on needs of various regulatory authorities like USFDA, MHRA, ANVISA and also like NABL as part of extra curriculum activity so that they will get the Job quickly.
