Minutes of First BoS meeting 2026-2027

Day & Date: Wednesday, 29th July, 2026

Time: 12.00 to 1.00pm

Venue: Conference hall of the college

Mode: Hybrid (Zoom)

Copies of agenda and of relevant documents were circulated to the present members.

Subject No. 1: To discuss and approve B. Pharm. Regulations, Courses of Study and Syllabus from A.Y. 2026-27 as per PCI.

**Resolution
No.1:**

The Board members deliberated on the proposed B. Pharm. Regulations, courses of study, and syllabus for the Academic year 2026-2027 in accordance with the latest norms and regulations prescribed by the PCI. Dr. Anilkumar Tatiya suggested study patterns like preparation of herbarium by students and display in the laboratory. Regular rote learning may help students to remember biological source of crude drugs. Dr. Deepak Somvanshi insisted on preparation of herbarium by individual student and got versed with the procedure and identification of herbal drugs. It was suggested that the herbarium preparation can be a part of continuous assessment. After, detailed discussion and considering the academic requirements, the Board approved the B. Pharm. regulations, courses of study and syllabus for implementation from the academic year 2026-2027.

The Board further recommended forwarding the approved regulations and syllabus to the Academic Council for consideration and final approval. The resolution passed unanimously.

Subject No. 2: To discuss and approve the Examination and Assessment methods for all examinations of B. Pharm.

**Resolution
No. 2:**

The Chairperson placed before the Board the proposed examination and assessment methods for all examinations of B. Pharmacy. The Board of Studies reviewed and discussed the examination and assessment methods including the scheme of continuous internal assessment and end- semester examinations as per the academic regulations and applicable statutory guidelines. The Board recommended the implementation of the approved examination and assessment methods for all examinations of B. Pharmacy. The resolution passed unanimously.

Subject No. 3: To suggest panel of examiners for various subjects at B. Pharm.

**Resolution
No.3:**

The Chairperson placed before the Board the proposed panel of examiners for the theory and practical examinations of the B. Pharmacy programme for the academic year 2026-2027. The panel comprised qualified internal and external subject experts from reputed academic institutions, and universities in accordance with the regulations of the autonomous institution and the PCI.

The Board examined the qualifications, teaching experience of the proposed examiners. The Board also, recommended periodically updating the panel. After detailed deliberation, all the members unanimously approved the panel of examiners for the theory and practical examinations of the B. Pharmacy programme for the academic year 2026-2027. The Chairperson was authorised to make necessary additions, or modifications to the panel whenever necessary, with the approval of the competent authority and in accordance with the regulations of the autonomous institution. The resolution passed unanimously.

Subject No. 4: To discuss and prepare Academic Calendar 2026-27 for B. Pharm.

**Resolution
No.4:**

The Chairperson presented the draft of Academic Calendar for the B. Pharmacy programme for the academic year 2026-2027. The Board reviewed the proposed schedule in accordance with the academic regulations of the autonomous institution and the guidelines of the PCI. The calendar included the commencement of the classes, internal assessment schedules, practical examinations, end semester examinations and breaks, co-curricular and extra-curricular activities, guest lectures and other academic events.

The members discussed the need to ensure adequate instructional days, timely completion of the syllabus, continuous internal assessment and effective implementation of academic and student development activities. After detailed deliberation, all the members unanimously approved the academic calendar for the B. Pharmacy programme for the academic year 2026-2027, subject to minor modifications, if required, in accordance with the directives issued by the University, PCI, or other statutory authorities. The Board authorised the Chairperson to forward the approved academic calendar to the Academic Council for final approval and implementation. The resolution passed unanimously.

Subject No. 5: To discuss Introduction of Value-Added Courses for B. Pharm. if any.

**Resolution
No.5:**

The Chairperson placed before the Board the proposal to introduce Value added courses for first year B. Pharmacy students. The objective is to enhance practical skills, employability, and awareness of medicinal plants beyond the PCI curriculum. The board discussed the importance of integrating skill-oriented and multidisciplinary courses to strengthen student's foundational knowledge in Pharmacognosy and promote experimental learning. The suggested courses were Aromatherapy, Nutraceuticals, and Herbal cosmetics with 30 hrs duration.

Dr. Chatpalliwar suggested planning value added courses in later academic years, so that it won't load first year first semester students as the tenure secured would be comparatively less. So, the first year B. Pharmacy students will not get sufficient time to study the value-added course. After detailed deliberation, all the members unanimously decided to plan value added course in sixth semester of the B. Pharmacy course. The resolution passed unanimously.

Subject No. 6: Any other matter

**Resolution
No.6:**

There was no any matter remained for discussion in the meeting.
The resolution passed unanimously.

Pharmaceutical Chemistry
Minutes of the Meeting

Date: 17th July, 2026

Time: 2: 00 p. m.

Agenda: The agenda for the meeting, mentioned below, was circulated in advance and the points were presented in the meeting and discussed at length.

1. The Academic Calendar for the session 2026-27
2. Acceptance and implementation of the syllabus regulated by The Pharmacy Council of India for the academic session
3. Suggestions for amending/adding the content of syllabus for B. Pharm. I year
4. Preparedness of the teaching programme, delivery of content and conduct of practical sessions
5. Delivery of content beyond the syllabus
6. Process planned to conduct Examinations
7. Proposal to arrange a guest lecture per semester for B. Pharm. I year to cover aspects like Indian knowledge system, expectations of pharmaceutical industrial from pharmacy graduates, developments anticipated in near future
8. Proposal to arrange an Industrial visit for students every year
9. Any other aspect with the permission of The Director

These were unanimously accepted by the Respected members of The Board and was suggested to implement the same with immediate effect.

Regulations: It was unanimously decided to implement the Rules and Regulations published by the Apex body, from the academic session 2026-'27.

Syllabus: Part of the syllabus prescribed by The Pharmacy Council of India in 2026-'27, entitled **B. Pharm. Syllabus 2026_NEP 2020** for subjects pertaining to Pharmaceutical Chemistry was discussed at length. The subjects for first two Semester are given below.

The Chairman, Dr. V. A. Chatpalliwar, presented the syllabi for first two semesters pertaining to Pharmaceutical Chemistry, published by The Pharmacy Council of India.

The President of the meeting, Dr. C. D. Upasani, wished to include aspects of Indian Knowledge System in every subject as its integral part. He further added to devote three hours to the aspect, at the start of each semester. This aspect was suggested to be delivered as Content Beyond the Syllabus.

The resolution was passed unanimously.

Respected Member of The Board, Dr. Jaiprakash Sangshetti, pointed that few crucial chapters have been excluded from the syllabus, BP106T: Pharmaceutical Inorganic and Analytical Chemistry, namely, the Dentifrices, The Major Extra-cellular and Intra-Cellular Ions, and the Topical agents, which should be included in the course.

The resolution was passed unanimously.

The Chairman suggested to reduce one hour from the allotted time span of each chapter and devote two hours each for the suggested additional chapters for accommodating added chapters in the stipulated time span. This shall be sufficient for introducing those chapters conceptually.

All the members agreed for the same and the resolution was passed unanimously.

The Chairman suggested to include a chapter entitled, Introduction to Stereochemistry, in the subject of Pharmaceutical Organic Chemistry. Respected Member, Dr. Sanjay S. Pekamwar, suggested to encourage the use of ITC tools to aid learning of students.

The resolution was passed unanimously.

Preparedness: The Chairman presented a complete plan of theory classes and practical sessions to achieve the course outcomes, while maintain high academic standards.

Examination Process: The Chairman presented the examination process to be practiced for all semester, and the credits to be awarded to the students after completion of each semester. The examination pattern, credits to be awarded to the students, admitted through fresh admissions as well as by lateral entry, structured by The Pharmacy Council of India shall be implemented for B. Pharm., 2026-'27.

Guest Lectures: The Chairman proposed a plan to engage a guest lecture for the new entrants to enlighten them about the importance of early start in preparing for competitive examinations, and its onus in building a fruitful career. It was decided to allow the students for appearing guest lectures on GPAT preparation engaged for higher classes.

The members accepted the proposal, and the Resolution was passed unanimously.

Industrial Visit: The Chairman presented a plan to arrange an industrial visit, at a local cosmetic plant for the First-Year B. Pharm. students and persuaded all members to assist in the aspect. Members Dr. Vinod Godse and Dr. Sanjay Pekamwar suggested to arrange the visit to any laboratory or a water treatment plant for simplicity.

It was accepted by every member, and the resolution was passed accordingly.
