Proud Moments

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic Earns NBA Accreditation

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic achieved a major milestone as the National Board of Accreditation (NBA) awarded accreditation to its Department of Electronics and Telecommunication Engineering. Following a thorough evaluation in March 2023, the accreditation highlights the institute's commitment to quality education and adherence to national standards. Principal Dr.V.A.Wankhede expressed pride and gratitude for the achievement, emphasizing the collective efforts of the institute's community. This accreditation enhances the institute's standing and assures stakeholders of its dedication to academic excellence.

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic Excels in MSBTE Monitoring

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic Department of Electronics and Telecommunication Engineering received an excellent grade in the external monitoring conducted by MSBTE, Mumbai, for the academic year 2022-23. The achievement reflects the institute's commitment to academic excellence and adherence to quality standards. This recognition further solidifies SNJB's reputation for providing top-notch technical education.

TECHNICAL ACTIVITIES

Expert Session, Workshop Arranged

Expert Lecturer with proven expertise in a topic adds credibility to our content. Hearing new voices provides students not only with different points-of-view, but also with potential resources they can apply in later courses.

Industry Insights Shared in Expert Lecture at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic

An expert lecture by Mr. Shrikant Karode from AMT Skill Enhancement Institute LLP, Nashik, was organized at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic on March 23, 2023. The lecture focused on "Industries Expectations from Young Professionals" and proved beneficial for students in FYEJ and SYEJ. The insightful session provided valuable guidance on industry expectations, equipping students with knowledge crucial for their future careers.

Department of Electronics and Telecommunication Engineering Hosts Industrial Automation Workshop

In a bid to enhance practical skills, Department of Electronics and Telecommunication Engineering organized a workshop on "Industrial Automation (PLC Workshop)" on March 23, 2023. Conducted by Mr. Sanjay Lasure from AMT Skill Enhancement Institute LLP, Nashik, the workshop was attended by TYEJ students. They gained valuable insights and hands-on experience in Programmable Logic Controllers (PLC), bridging the gap between academic knowledge and industry requirements. The interactive session proved to be beneficial for the students, contributing to their skill development and readiness for the professional landscape.

TECHNICAL ACTIVITIES

Micro project Exhibition, Training's in association with the BOSCH India

The Department of Electronics and Telecommunication Engineering at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic organized a dynamic "Micro Project Exhibition" on February 25, 2023. Students from FYEJ, SYEJ, and TYEJ showcased their innovative projects, receiving appreciation from the Honorable Management and Respected Principal. The esteemed visitors commended the students' efforts and offered valuable suggestions, fostering a culture of creativity and excellence within the department.

TECHNICAL ACTIVITIES

Micro project Exhibition, Training's in association with the BOSCH India

The Department of Electronics and Telecommunication Engineering at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic, in collaboration with BOSCH India Foundation, organized a month-long training program on "Electrical Wiring and Installation" from June 1, 2023, to June 30, 2023. Thirty-six students successfully completed the training, showcasing their commitment to practical skill development. Certificates were awarded to recognize their achievement, marking another milestone in the institute's commitment to providing industry-relevant education.

BOSCH India Foundation and SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic Propel Students with Industrial Training

In a collaborative effort, the Department of Electronics and Telecommunication Engineering at SNJB's Shri Hiralal Hastimal Polytechnic, partnered with BOSCH India Foundation, to conduct an industrial training program on "Electrical Wiring and Embedded Systems" from June 7, 2023, to July 19, 2023. A total of 37 SYEJ students successfully completed the program, demonstrating their commitment to practical skill development. Certificates were awarded in recognition of their accomplishment. Prof. N.R. Thakre, HOD of E&TC Dept., efficiently coordinated the training, ensuring a fruitful learning experience for the participants. This initiative emphasizes the institute's dedication to providing industry-relevant education.

PLACEMENT DETAILS

Successful Placements for Electronics and Telecommunication Students at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic, Chandwad.

The Department of Electronics and Telecommunication at SNJB's Shri Hiralal Hastimal Polytechnic, Chandwad, in collaboration with the Training and Placement Officer (TPO), has secured excellent placement opportunities for students. Renowned companies including Ring Plus Aqua, Larsen and Toubro, John Deere, have extended offers, resulting in placements for approximately 11 students. This accomplishment underscores the institute's commitment to providing quality education and fostering strong industry connections for its students.
