Departement of Computer Technology

Newsletter

ICONIC

VISION

To enhance Diploma Computer Engineering students to serve the society and industries with technical skills and human values.

MISSION

1. To provide quality education in the field of Computer Technology.
2. To cultivate professional skills, social and ethical responsibility among students.
3. To develop Diploma students for bright career and higher learning.

Academic Year : 2023-24

Editorial Committee:

Mr. P. R. Sali (HOD)

Ms. S. S. Shinde

Student Coordinators:

Mr. Jabez M. Tribhuwan (TYCM)

Ms. Prachi M. Sonawane (TYCM)

News & Events

On 12/9/2023, students from the Third Year in Computer Technology departments, as part of the Social Activity "Swachhata Abhiyan" under the ISTE students chapter and CTSA, carried out a meaningful initiative at Chandreshwar Mahadev Temple in Chandwad. This event aimed to promote cleanliness and community service. The event was skillfully coordinated by student coordinators under the guidance of Mr. P.G. Aher, Mr. D. B. Zambare, Ms. S. S. Shinde & Ms. S. V. Shelke

The Computer Technology Department organized a "Parents-Teachers Meet" on 12/09/2023 of Second Year students. The goal was to improve communication and teamwork. Mr. R. R. Pauer and Ms. S.V. Zalte, skilled teachers, led the session, sharing useful insights about students' academic and overall growth. Parents got valuable information to understand how their child is doing. The meeting strengthened the bond between parents and teachers for the betterment of Second Year students.

News & Events

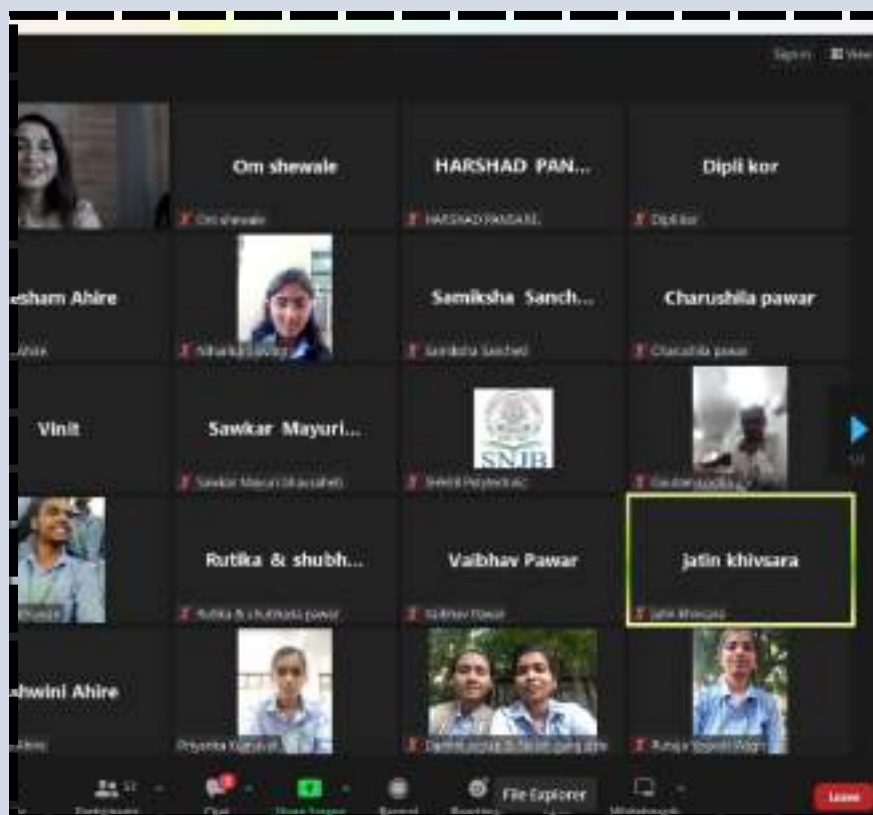

On 13/09/2023, the Computer Technology Department conducted a "Parents-Teachers Meet" for Third Year students. The objective was to foster better communication and teamwork. Led by Mr. S. N. Vende and Ms. S.V. Shelke, adept teachers, the session shared valuable insights into students' academic progress and overall growth. Parents received crucial information to better understand their child's performance. The meeting strengthened the bond between parents and teachers, contributing to the improvement of Third Year students.

On 13/09/2023, the Computer Technology Department arranged a Group Activity centered around "Effective Team Building" for both teaching and non-teaching staff. Mr. P.R. Sali and Mr. G.M. Lodha played key roles in organizing this captivating event.

News & Events

On 04/10/2023, the Computer Department is commemorating the 350th anniversary of Chhatrapati Shivaji Maharaj's coronation. To celebrate this historic milestone, a Shiva Kalin Traditional Sports Competition has been meticulously organized by a dedicated team led by Mr. P.G..Aher, Mr. D. B. Zambare, Ms. S. S. Shinde, Ms. S. V. Shelke, Mr. R. R. Pawar, Ms. A. B. Shinde, Mr. S. N. Vende, Mr. S. V. Gunjal, and Ms. S. P. Jadhav. The event will not only showcase traditional sports but also provide educational insights into the historical context.

From October 2 to October 5, 2023, the Computer Technology Department hosted a 4-day Online Workshop on “Software Testing” under the ISTE student chapter. This informative workshop, organized by Mr. G.M. Lodha, featured Mrs. Prachi Pawar, the Head of Seed InfoTech in Ahmednagar, as the distinguished resource person. Mrs. Prachi Pawar, with her vast industry experience, shared real-world examples and case studies, enriching the workshop with practical knowledge and valuable perspectives.

SNJB

Amrit Kalash Yatra

On 20/10/2023, the Amrit Kalash Yatra, led by HoD Mr. P.R. Sali and the entire team of Computer Technology, will embark on a meaningful journey. In the spirit of the Meri Maati Mera Desh campaign, the Amrutkalash Yatra serves as a symbolic gesture of gratitude towards the unsung heroes who have selflessly contributed to the prosperity of our nation.

Expert Session

On October 13, 2023, an Expert Session on JavaScript for the subject Client-Side Scripting took place under the ISTE Student Chapter for third-year students. Mrs. Sonali Adhav's role as the resource person added a valuable industry perspective, enabling students to understand the current trends and applications of JavaScript in real-world projects. The session, organized by Mr. D. B. Zambare, aimed to bridge the gap between theoretical knowledge and practical implementation, ensuring that students grasp the practical aspects of JavaScript

On October 13, 2023, an Expert Session on Computer Graphics was conducted under the ISTE Student Chapter, specifically tailored for Second Year Students. Mrs. Nikam Bodke, a Senior Software Developer at Sumago InfoTech in Nashik, served as the esteemed resource person for the session. The event was skillfully organized by Ms. S. S. Shinde and Ms. A.B. Shinde. The interactive nature of the session allowed students to pose questions, engage in discussions, and receive valuable guidance on potential career paths within the realm of Computer Graphics.

Industrial Visit

On 17/10/2023, an industrial visit was arranged for second and third-year students to L&T, Madh, Mumbai. The visit, meticulously organized by Mr. P.R. Sali, Mr. G.M. Lodha, Ms. S.S. Shinde, and Mrs. S.M. Devadhe, aimed to provide students with practical insights into industrial operations and processes. The visit not only broadened the horizons of students but also instilled a sense of curiosity and enthusiasm, encouraging them to explore further opportunities and applications of their academic pursuits in the professional world.

On 17/10/2023, the third-year students embarked on an Industrial Visit to the Sewage Treatment Plant in Tapovan, Nashik, presented students with a real-world perspective on the challenges and solutions in the field of wastewater management.. The visit was organized by Ms. S.N. Gosavi, Ms. A.B. Shinde, and Mr. R.R. Pawar.

Expert Session

On 20/10/2023, an Expert Session on Data Structure was conducted for second-year students under the ISTE student Chapter. The resource person for this insightful session was Mr. Lalit Hyalij, a Software Engineer from Cognizant Pune. The session, organized under the guidance of Ms. S. V. Zalte, aimed to empower students with a solid foundation in Data Structure, a crucial skill for their academic and professional growth.

Words to Live By

"Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do." - Steve Jobs

"The only limit to our realization of tomorrow will be our doubts of today." - Franklin D. Roosevelt

"Do not wait to strike till the iron is hot, but make it hot by striking." - William Butler Yeats

Faculty Achievement

Mr. P. R. Sali, from the Computer Technology Department, has demonstrated proficiency by successfully completing an NPTEL Course on **"Database Management System."** This achievement highlights his dedication to advancing knowledge in the field. his academic and professional growth.

Mr. P. G. Aher, a distinguished member of the Computer Technology Department, has recently achieved success by completing an NPTEL Course on **"Python for Data Science."** This accomplishment showcases Mr. Aher's commitment to staying updated with cutting-edge technologies in the field of data science.

Mr. D. B. Zambare, from Computer Technology Department, has recently achieved a significant milestone by successfully completing an NPTEL Course titled **"Python for Data Science."** This accomplishment reflects Mr. Zambare's commitment to enhancing his skills in the dynamic field of data science.

Faculty Achievement

From September 2nd to September 8th, 2023, Mr. P. R. Sali, affiliated with the Department of Computer Technology, actively participated in a Faculty Development Programme. The program, centered around the theme "Programming with Python for Machine Learning," was sponsored by MSBTE. During this event, held at L&T Skill Trainers Academy Madh Campus in Madh, Mumbai, Mr. P. R. Sali demonstrated exceptional leadership skills and was honored with the award for Best Team Leader in the group activity.

From September 2nd to September 8th, 2023, Mr. G. M. Lodha from the Department of Computer Technology participated in a Faculty Development Programme with the theme "Programming with Python for Machine Learning." This program was sponsored by MSBTE and took place at the L&T Skill Trainers Academy, Madh Campus, Madh, Mumbai, where he was recognized and awarded for his active participation.

Faculty Achievement

Ms. A. S. Chordia from the Department of Computer Technology took part in a Faculty Development Programme focused on Industrial Training in Internet of Things (IoT) at NIELIT, Aurangabad, from October 30, 2023, to November 3, 2023.

Student Achievement

In a proud achievement for SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic's Computer Technology Department, Ms. Sapana D. Gangurde, a student, secured the FIRST Prize in the District Level Competition titled "गांधी विचार संस्कार परीक्षा 2023." We extend our heartfelt congratulations on this remarkable accomplishment.
