Department felicitated all students who played role of teacher and wished them for great Future Program is well organised Under Guidance of All Civil Engineering staff with Mr. H. S. Gowda (HOD Civil) and Principle Dr. V A Wankhede

Date: 06/09/2022

Recent Trends and Challenges in Civil Engineering

Department of Civil Engineering organised Expert lecture on Recent trends and Challenges in Civil Engineering Resource Person Mr. Anil R. Pawar (Project Manager Rohan Builders, Billari Karnatak) guided the Students for their Career.

Date: 10/09/2022

Recent Trends and Challenges in Civil Engineering

Department of Civil Engineering organised Personality Development Lecture For SYCE and TYCE students

Resource Person
Mrs. Sneha P. Acheliya
(Student Counsellor)

Date: 15/09/2022

Poster Competition

Department of Civil Engineering The ISTE Students Chapter Organised a Poster Competition on occasion of Engineer's Day.

Jury Members

1. Mr D P Kashalkar (Assistant Engineer - PWD, Peth.)
2. Miss P B Saini (ID Dept.)

Engineer's Day Celebration

Department of Civil Engineering Celebrating Birth Anniversary of Dr M Vishweshwarya as **Engineer's Day** and Inaugurate **CESA Committee 2022-23**

Work Shop GIS & GPS

Department of Civil Engineering organised One Day Workshop on Remote Sensing GIS and GPS For SYCE and TYCE students. Chairperson of the programme Mr. P.P. Galankar (A.O.SNJB) Inaugurated this programme. 72 Students Get benefitted from this session

Resource Persons

Mr. Makrand kulkarni
Executive Engineer
REC, MERI Nashik

Mr. Santosh Wagh
Sub Divisional Engineer
REC, MERI Nashik

Mr. Amol Dokchaule
Junior Engineer
REC, MERI Nashik

Date: 04/10/2022

Accounts for Civil Engineers

Department of Civil Engineering organised a Expert Session on Accounts for Civil Engineers under **Meet the Parent** Programme - A Parents Expert Lecture Series, which gives platform for parents to share their expertise in the field of civil engineering or any other multidisciplinary field. Total 79 students of SYCE & TYCE Get benefitted from this session

Resource Person

Mr. Arun S.Gavali
Director ,
PEACE India, Nashik

Date: 11/10/2022

Practical Challenges for Civil Engineers

Department of Civil Engineering organised a Expert Session on “Practical Challenges for Civil Engineers “under **Meet the Parent** Programme- A Parents Expert Lecture Series, which gives platform for parents to share their expertise in the field of civil engineering or any other multidisciplinary field.

Resource Person

Mr. Kiran Thormise
Director ,
Gurukula Constructions , Vadner
Bhairav, Dist-Nashik

Date: 11/11/2022

Methodology Survey

Department of Civil Engineering organised Expert lecture on Literature survey methodology. Resource Person Aman B Urganlawar (Assistant Professor SNJB's SSDJ College of Pharmacy Chandwad) 48 TYCE Students Get benefitted from this session.

Date: 03/12/2022

Drone Surveying and Mapping

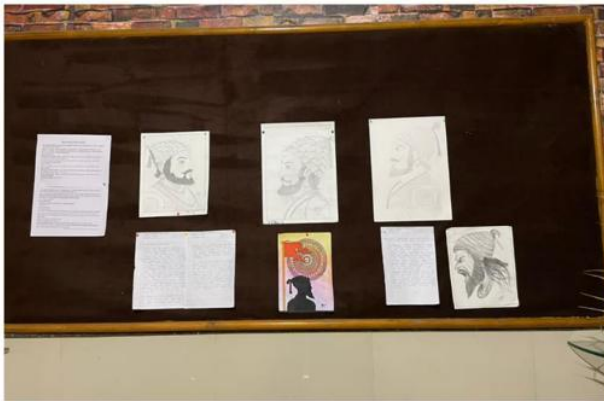

Department of Civil Engineering organised One Day Workshop on Drone Surveying and Mapping for TYCE and SYCE students and Faculty under **Industry 4.0 Skill Development Programme**. Resource Person Mr. Kiran Chavhan (Drone Pilot Shree Gurudev Photos, Nandgaon) **Total 93 Students Get benefitted from this session.**

Date: 20/02/2022

Chhatrapati Shivaji Maharaj Jayanti
