THE CREATOR

Civil Engineering Department Newsletter

"Building Foundations,
Shaping Futures"

EDITION : 26 [JUNE2K25 - DECEMBER 25]]

<https://snjb.org/polytechnic/>

ABOUT [THE CREATOR]

"The Creator" is the official **Civil Engineering** Department **newsletter**, celebrating the spirit of **innovation, resilience, and excellence that defines our field**. Through insightful articles, highlights, project spotlights, and student achievements, we aim to inspire and inform our community. From groundbreaking infrastructure projects to sustainable engineering solutions, "The Creator" serves as a platform to showcase the remarkable contributions of our students, faculty, and alumni. Join us as we build knowledge, share experiences, and shape the future of civil engineering—one creation at a time.

OUR VISION MISSION STATEMENT

To impart technical knowledge and skills in the field of Civil Engineering, fostering human values, entrepreneurial skills and social awareness.

M1 : To provide technical knowledge and skill relevant to Civil Engineering industry.

M2 : To inculcate ethical values, professionalism and social responsibility.

M3 : To mentor student for innovative thinking with relevance to entrepreneurial skills and environmental sustainability.

Management Desk

Principal Desk

Dear Esteemed Readers,

It gives me great pleasure to extend a warm welcome to each of you as we embark on another exciting edition of our college Newsletter. As the Management Trustee, I am honoured to be part of an institution that thrives on excellence, innovation, and the relentless pursuit of knowledge.

Our college is not merely a place of academic learning; it is a vibrant community where dreams are nurtured, ideas are fostered, and lifelong connections are forged. The pages of this Newsletter reflect the collective spirit of our students, faculty, and staff – a community dedicated to shaping the future.

I extend my gratitude to the editorial team, contributors, and everyone involved in the creation of this magazine. Your dedication and passion have given life to these pages, making them a reflection of the vibrant tapestry of our college life. May this magazine serve as a testament to the spirit of our college community – a spirit that embraces diversity, embraces challenges, and embraces the boundless possibilities that education affords.

Thank you for being part of our journey, and I encourage you to immerse yourself in the stories that unfold within these pages. Together, let us celebrate the achievements and aspirations that define us as a community.

Wishing you an enjoyable and enlightening reading experience.

Warm regards,

Shri ArvindBhau Bhansaliji
Trustee & Co-ordinator

Dear Esteemed Readers,

It is with great pleasure and pride that I welcome you to the latest edition of our Civil Department newsletter. As we gather to reflect on the achievements, challenges, and innovative pursuits within our academic community, I am reminded of the incredible spirit that defines our department.

Our Civil Engineering Department has consistently been a beacon of excellence, and this newsletter serves as a testament to the remarkable work being done by our students, faculty, and staff. From groundbreaking research projects to noteworthy academic achievements, each page unfolds a narrative of dedication, passion, and the pursuit of knowledge.

I would like to extend my sincere appreciation to the editorial team for curating this insightful compilation.

As we celebrate our achievements, let us also reflect on the challenges that lie ahead. The field of civil engineering plays a pivotal role in shaping a sustainable and resilient future. I encourage each member of our department to embrace these challenges as opportunities for growth and exploration.

I invite everyone to immerse themselves in the stories and insights shared within these pages. May this newsletter serve as a source of inspiration, motivation, and a reminder of the collective strength that defines our Civil Engineering Department.

Thank you for your unwavering commitment to excellence.

Best regards,

Dr. V.A. Wankhede
Principal

HoD Message

Dear Colleagues, Students, and Parents,

It is my pleasure to extend a warm welcome to each one of you as we unveil another edition of our Civil Engineering Department newsletter. As the Head of the Department, I am continually inspired by the collective passion, resilience, and pursuit of knowledge that defines our dynamic academic community.

In the pages that follow, you will find a compilation of the diverse achievements, projects, and initiatives that highlight the vibrancy of our department. From groundbreaking research endeavors to the successful execution of hands-on projects, each contribution underscores our commitment to academic excellence and real-world impact.

I also commend the newsletter editorial team for their meticulous efforts in bringing this publication to life. Through your dedication, you have woven together a narrative that captures the essence of our department's achievements and aspirations.

Thank you for your continued commitment to excellence, and I look forward to witnessing the continued growth and success of our Civil Engineering Department.

Best regards,

Mr. Dipak B. Pawar

TWO-DAY ONLINE FDP ON “EMERGING TRENDS IN CIVIL ENGINEERING” ORGANIZED BY CIVIL ENGINEERING DEPARTMENT

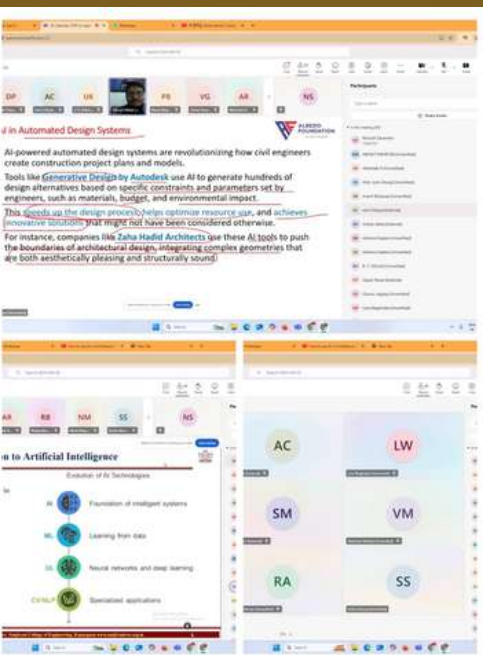

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic, Chandwad successfully organized a Two-Day State Level FDP on “Emerging Trends in Civil Engineering” on 13th & 14th June 2025 by the Department of Civil Engineering. 🧑‍🔧🏗️

The FDP featured expert sessions by renowned academicians and industry professionals from Pune, Nashik, Malegaon, Ultratech Cement Ltd., and ACCE Chandwad Centre. A total of 65 faculty members benefited from this insightful program.

The event was well organized by Mr. K. K. Kale and Mr. N. R. Savandre under the guidance of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede, with encouragement from the Honourable Management. ✨

TWO-DAY ONLINE FDP ON “APPLICATION OF ARTIFICIAL INTELLIGENCE IN CIVIL ENGINEERING”

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic, Chandwad, Department of Civil Engineering successfully organized a Two-Day State Level FDP on “Application of AI in Civil Engineering” on 17th & 18th June 2025. 🧑‍🔧🏗️

The FDP included insightful sessions by renowned experts from academia and industry on emerging AI applications in Civil Engineering. A total of 105 faculty members benefited from this enriching program.

The event was well organized by Mrs. R. N. Bachhav and Mrs. A. P. Vakte under the guidance of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede.

“FINANCIAL AWARE & EMPOWERED INDIA: FINANCIAL LITERACY PROGRAM”

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic, Chandwad organized a session on “Financial Aware & Empowered India: Financial Literacy Program” for faculty members and students. The session was conducted by Mr. Sameer Naik, Nashik, Investor Awareness Program Trainer, who guided participants on financial planning, investment awareness, and the importance of informed financial decisions for a secure future.

More than 45 faculty members and 200+ students benefited from the program. The event was well organized by Mrs. R. N. Bachhav under the guidance of Training & Placement Officer Mr. Y. L. Kakuste, HODs Dr. D. V. Lohar, Mr. D. B. Pawar, Mr. P. R. Sali, Mr. N. R. Thakre, and Principal Dr. V. A. Wankhede

Under the Inter-Engineering Diploma Students Sports Association, Zonal Sports Matches were organized for Girls Kabaddi. SNJB's Shri H.H.J.B. Polytechnic, Chandwad actively participated in the competition, which was organized by RSM Polytechnic, Nashik. A total of 10 students represented the institute in this sporting event.

The participation was coordinated by Ms. S. S. Yadav (Staff Coordinator) under the guidance of Mr. P. J. Bafna (Sports Incharge) and Principal Dr. V. A. Wankhede. The event encouraged teamwork, sportsmanship, and competitive spirit among the students.

Department Newsletter

TREE PLANTATION DRIVE UNDER "GO GREEN" INITIATIVE

The NSS Unit of SNJB's Shri HHJB Polytechnic organized a Tree Plantation Program under the "Go Green" Activity at Shri Chhatrapati Shivaji Vidhyalaya and Saint Dnyaneshwar Madhyamik Vidhyalaya in Chandwad. The initiative aimed to promote environmental awareness, encourage sustainable practices, and instill social responsibility among students and volunteers.

The program was organized by Mr. D. B. Pawar, Mrs. M. M. Wagh, Mr. N. R. Savandre, Mr. Ganesh Bhure, and Mr. Vishal Jadhav under the guidance of Dr. V. A. Wankhede. The activity reflected the institute's strong commitment towards environmental conservation and community engagement. 🌱

Departmental Advisory Board (DAB) Meeting

19th July 2025

The Department of Civil Engineering at SNJB's SHHJB Polytechnic organized a Departmental Advisory Board (DAB) Meeting in Hybrid mode. A total of 13 members were present for the meeting, where various academic and developmental aspects of the department were discussed in detail.

Key points of discussion included academic performance review, promoting innovation and creativity in teaching-learning methodologies, enhancement of existing value-added and certification courses, effective implementation of the MSBTE K-Scheme, providing opportunities for students to present projects in competitions, and review & feedback of ITR students.

INAUGURATION OF INDIAN PLUMBING ASSOCIATION (IPA) STUDENT CHAPTER & POSTER COMPETITION ON PLUMBING STUDENT DAY

The Department of Civil Engineering at SNJB's SHHJB Polytechnic, under the IPA Student Chapter, organized the Inauguration of the Indian Plumbing Association (IPA) Student Chapter along with a Poster Competition on the occasion of Plumbing Student Day. The program aimed to highlight the importance of modern plumbing practices, sustainable water management, and the vital role of engineers in public health and infrastructure development.

The session was graced by Mr. Vikram Khairnar, Chairman of the Indian Plumbing Association, as the Resource Person, and Prof. Vivek Wagh, Convenor of the IPA Chapter. The event was conducted under the leadership of HOD Mr. D. B. Pawar and the guidance of Dr. V. A. Wankhede, encouraging students to showcase creativity and technical awareness through poster presentations. The program successfully inspired participants and strengthened industry-academic collaboration within the department.

ONE-DAY IIRS-ISRO OUTREACH WORKSHOP ON "MAPPING AND MONITORING GREENHOUSE GASES THROUGH SPACE"

SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic successfully conducted a One-Day Workshop on "Mapping and Monitoring Greenhouse Gases through Space" as a Network Institute under the IIRS-ISRO Outreach Programme. The workshop focused on the application of space technology and remote sensing techniques for tracking greenhouse gas emissions and understanding climate change dynamics. A total of 57 participants, including staff and students, actively participated in this informative academic event.

The institute, along with the IIRS-ISRO Outreach Programme Coordinator, was recognized for successfully organizing this significant workshop. The program was conducted under the guidance of HOD & IIRS-ISRO Outreach Programme Coordinator Mr. D. B. Pawar and Dr. V. A. Wankhede. The initiative was strongly encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, Hon. Kamleshji Ostwal, and Hon. Akshayji Bhandari, reflecting the institute's commitment towards advancing technical knowledge through collaboration with national space research initiatives.

Mr. K. K. Kale Successfully Completes FDP on Advanced Tools for Structural Design and BIM

Mr. K. K. Kale successfully completed a Faculty Development Program (FDP) on “Advanced Tools for Structural Design and BIM” at Chhatrapati Shahu Maharaj Shikshan Sanstha’s College of Polytechnic, Chhatrapati Sambhaji Nagar. This achievement reflects his dedication to enhancing technical knowledge and staying updated with modern tools and practices in the field of civil engineering. The FDP provided valuable exposure to advanced structural design techniques and Building Information Modeling (BIM), which are essential in today’s engineering and construction industry. His successful participation will contribute positively to academic excellence and technical advancement in the department.

“I sincerely thank the organizers of the FDP on ‘Advanced Tools for Structural Design and BIM’ at Chhatrapati Shahu Maharaj Shikshan Sanstha’s College of Polytechnic, Chhatrapati Sambhaji Nagar. The program was highly informative and provided valuable knowledge about modern structural design tools and BIM technologies. It was a great learning experience that will help in enhancing academic and technical skills.”

Date : 03rd & 04th Sept. 2025

INDUSTRIAL VISIT SOLID WASTE MANAGEMENT PLANT

The Department of Civil Engineering of SNJB's Shri Hiralal Hastimal Jain Brothers Polytechnic organized an industrial visit for second-year and third-year students on 03rd and 04th September 2025 to Radhanagari Dam, Hydropower Plant at Radhanagari, Chhatrapati Shahu Palace in Kolhapur, and Panhala Fort. The visit provided students with practical exposure to important concepts of civil engineering, including dam design, hydropower structures, architectural planning, heritage conservation, and ancient engineering techniques. At Radhanagari Dam and the Hydropower Plant, students observed the principles of hydraulic engineering, structural planning, flow regulation, and dam safety, while the visits to Chhatrapati Shahu Palace and Panhala Fort highlighted architectural excellence, material selection, structural design, and the Indian Knowledge System in fort planning.

The visit was successfully organized by Mr. D. B. Pawar, Mr. K. K. Kale, Mrs. R. N. Bachhav, Mr. N. R. Savandre, Mr. R. R. Kotwal, Mr. R. B. Bagul, and Mr. S. G. Shete under the guidance of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede. The programme was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, and Hon. Kamleshji Ostwal.

INDUSTRIAL VISIT TO RMC PLANT

The Department of Civil Engineering of SNJB's Shri Hiralal Hastimal Jain Brothers Polytechnic, Chandwad, organized an industrial visit for Second Year Civil Engineering students on 07 October 2025 to the RMC Plant near the BAMS New Building Construction Site, Chandwad, under the course Concrete Technology. During the visit, students gained practical exposure to the production process of Ready Mix Concrete (RMC), process control methods, mix design techniques, and quality testing of concrete. They also observed modern construction practices at the BAMS building site and interacted with plant technicians to gain real-time technical insights. The visit was successfully organized by Mr. D. B. Pawar, Mr. R. B. Bagul, and Mr. G. D. Bhure under the guidance of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede. The activity was encouraged by Hon. Arvindkumarji Bhansali, Hon. C ACHIEVES STATE-LEVEL THIRD RANK IN VOLLEYBALL CHAMPIONSHIP 10 NOVEMBER 2025

It gives us immense pleasure to share that Tirth Paresh Nahar, a First Year Civil Engineering student of SNJB's Shri Hiralal Hastimal Jain Brothers Polytechnic, has achieved State-Level Third Rank in Volleyball. He was awarded by the Maharashtra Volleyball Association, recognized by the Maharashtra State Sports Council, for his excellent performance in the championship held from 24 October 2025 to 26 October 2025 at Jalgaon.

This proud achievement reflects the student's dedication, sportsmanship, and hard work. He was guided by Sports Coordinator Mr. P. J. Bafna under the leadership of Principal Dr. V. A. Wankhede. The achievement was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, and Hon. Kamleshji Ostwal. Heartiest congratulations to Tirth Paresh Nahar for this wonderful success.
