ABOUT [THE CREATOR]

"The Creator" is the official **Civil Engineering** Department **newsletter**, celebrating the spirit of **innovation, resilience, and excellence that defines our field**. Through insightful articles, highlights, project spotlights, and student achievements, we aim to inspire and inform our community. From groundbreaking infrastructure projects to sustainable engineering solutions, "The Creator" serves as a platform to showcase the remarkable contributions of our students, faculty, and alumni. Join us as we build knowledge, share experiences, and shape the future of civil engineering—one creation at a time.

OUR VISION MISSION STATEMENT

To impart technical knowledge and skills in the field of Civil Engineering, fostering human values, entrepreneurial skills and social awareness.

M1 : To provide technical knowledge and skill relevant to Civil Engineering industry.

M2 : To inculcate ethical values, professionalism and social responsibility.

M3 : To mentor student for innovative thinking with relevance to entrepreneurial skills and environmental sustainability.

First Year Civil Engineering Student Wins First Prize in Wrestling Competition

It gives us immense pleasure to share that Mr. Vedant Deore, a First Year Civil Engineering student of SNJB's Shri Hiralal Hastimal Jain Brothers Polytechnic, Chandwad, has won First Prize in a Wrestling Competition held at Bhagur, Nashik and has also been selected for the State Level Competition under the Under-17 group.

This remarkable achievement highlights his dedication, talent, and sporting excellence. He was guided by HOD Civil Department Mr. D. B. Pawar, Sports Coordinator Mr. P. J. Bafna, and Principal Dr. V. A. Wankhede. The achievement was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, Hon. Kamleshji Ostwal, and Hon. Akshayji Bhandari. Heartiest congratulations to Mr. Vedant Deore for this proud achievement.

GEOTECHNICAL ENGINEERING LABORATORY TRIAXIAL TESTING MACHINE SUCCESSFULLY REPAIRED AT SNJB POLYTECHNIC, CHANDWAD

SNJB's Shri H. H. J. B. Polytechnic, Chandwad, is happy to share that the Triaxial Testing Machine in the Geotechnical Engineering Laboratory has been successfully repaired and made ready for testing through in-house maintenance work carried out by the staff of the Civil Engineering Department. This achievement reflects the department's technical capability and commitment towards maintaining laboratory equipment for effective academic and practical use.

The repair work was carried out by Mr. R. B. Bagul and Mr. G. D. Bhure under the guidance of HOD (Civil Engineering) Mr. D. B. Pawar and Principal Dr. V. A. Wankhede. The initiative was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, Hon. Kamleshji Ostwal, and Hon. Akshayji Bhandari

Civil Engineering Students Win First Prize at MSBTE State Level Technical Quiz Competition 2025-26

Date: 09 January 2026

Third Year Civil Engineering students Meet Nilesch Dungarwal and Mohit Ramkrishna Thakare secured First Prize and a cash award of ₹15,000 at the MSBTE State Level Technical Quiz Competition 2025-26, organized by the Maharashtra State Board of Technical Education (MSBTE), Mumbai, and hosted by Parikrama Polytechnic, Kashti. Guided by Mr. N. R. Savandre under the leadership of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede, this achievement reflects the students' technical excellence and dedication. The success was encouraged by the institution's management and dignitaries.

GIRLS' KABADDI TEAM WINS FINAL MATCH AT ZONAL SPORTS COMPETITION

It gives us immense pleasure to announce that the Girls' Kabaddi Team of SNJB's Shri H.H.J.B. Polytechnic, Chandwad performed exceptionally well in the Zonal Sports Matches organized by the Inter-Engineering Diploma Students Sports Association on 19 January 2026. A total of 13 students participated in the competition and showcased remarkable teamwork and sportsmanship by winning two matches and finally emerging victorious in the final match. The sports competition was organized by MSBTE and KVN Polytechnic, Nashik. The team was guided by Staff Coordinator Mr. S. S. Pawar under the supervision of Sports Incharge Mr. P. J. Bafna and Principal Dr. V. A. Wankhede. The achievement was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, Hon. Kamleshji Ostwal, and Hon. CIVIL ENGINEERING FACULTY PUBLISH BILINGUAL LEARNING MATERIAL FOR SIXTH SEMESTER COURSES

SNJB's Shri Hiralal Hastimal Jain Brothers Polytechnic, Chandwad, is happy to share that Mr. D. B. Pawar and Mr. R. R. Kotwal of the Civil Engineering Department have successfully published bilingual learning material for the Sixth Semester (CE6K) courses "Earthquake Resistant Building" (316311) and "Maintenance and Repairs of Structures" (316309). This academic contribution will be highly beneficial for students in understanding the course content more effectively through bilingual study support. The achievement was accomplished under the guidance of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede. It was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, and Hon. Kamleshji Ostwal.

SNJB's SHHJB Polytechnic Achieves 24th Granted Patent

Our Civil Engg. Dept. is proud to share that its 3rd patent has been granted, marking another significant milestone in the institution's journey of innovation and academic excellence. This patent has been filed by the Civil Engineering staff, reflecting their dedication, research spirit, and commitment to contributing meaningful advancements in the field. This achievement brings great pride to the institution and highlights the continuous efforts of the faculty in promoting innovation and technical development.

INDUSTRIAL VISIT TO WATER TREATMENT PLANT ORGANIZED FOR SECOND YEAR CIVIL ENGINEERING STUDENTS

The Department of Civil Engineering of SNJB's Shri Hiralal Hastimal Jain Brothers Polytechnic, Chandwad organized an industrial visit for Second Year Civil Engineering students to the Water Treatment Plant, Chandwad under the course Water and Wastewater Engineering. During the visit, students observed the complete process of water treatment, including sedimentation, filtration, and chlorination. They also studied major components such as the intake structure, tanks, filters, and chlorination unit, and learned about basic operation, maintenance, and water quality testing methods.

The visit provided valuable practical knowledge about safe water supply systems and their importance in public health and civil engineering practice. The activity was well organized by Mrs. R. N. Bachhav and Mr. R. R. Kotwal under the guidance of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede. The programme was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, and Hon. Kamleshji Ostwal.

CIVIL ENGINEERING STUDENTS SECURE THIRD PRIZE AT PROJIT-2026 NATIONAL LEVEL PROJECT COMPETITION

SNJB's Shri Hiralal Hastimal Jain Brothers Polytechnic, Chandwad, is proud to announce that the Final Year students of the Civil Engineering Department secured Third Prize in PROJIT-2026 – A National Level Project Competition & Exhibition held at Jawahar Education Society's Institute of Technology, Management & Research, Nashik (JIT). The team received a cash prize of ₹3,000 with a trophy along with ₹54,000 sponsorship support, marking a significant achievement for the department.

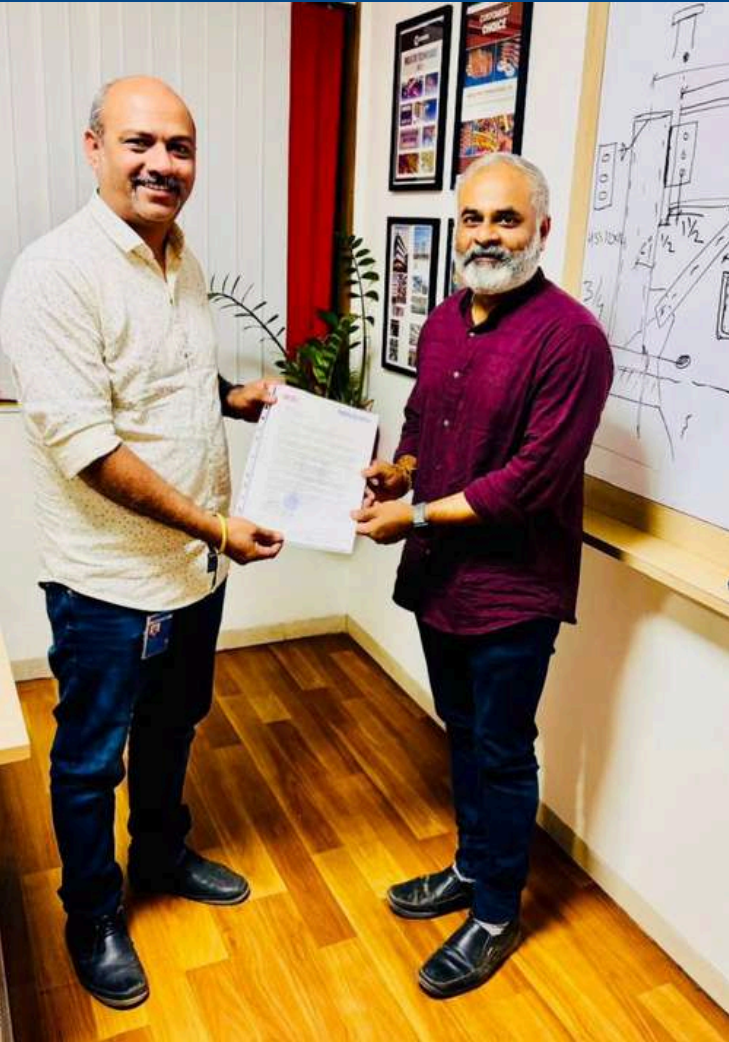

The project group members were Ahirrao Akshara Nilesh, Aher Kajal Vijay, and Thakare Pranita Sunil. The project was guided by Mr. K. K. Kale, with Mr. N. R. Savandre providing mentor and academic support, while Mr. D. B. Pawar served as Project Coordinator and HOD. The students were accompanied by Mr. R. N. Bachhav under the guidance of Principal Dr. V. A. Wankhede. The achievement was encouraged by Hon. Arvindkumarji Bhansali, Hon. Rajendrakumarji Bamb, Hon. Anandji Chopda, and Hon. Kamleshji Ostwal.

ROLE OF CIVIL ENGINEERING IN RAILWAY DEPARTMENT

RAILWAY INFRASTRUCTURE DEVELOPMENT
Design and construction of rail tracks, bridges, tunnels, and stations.

TRACK ENGINEERING
Designing and maintaining track alignment, ballast, and drainage for safe train operations.

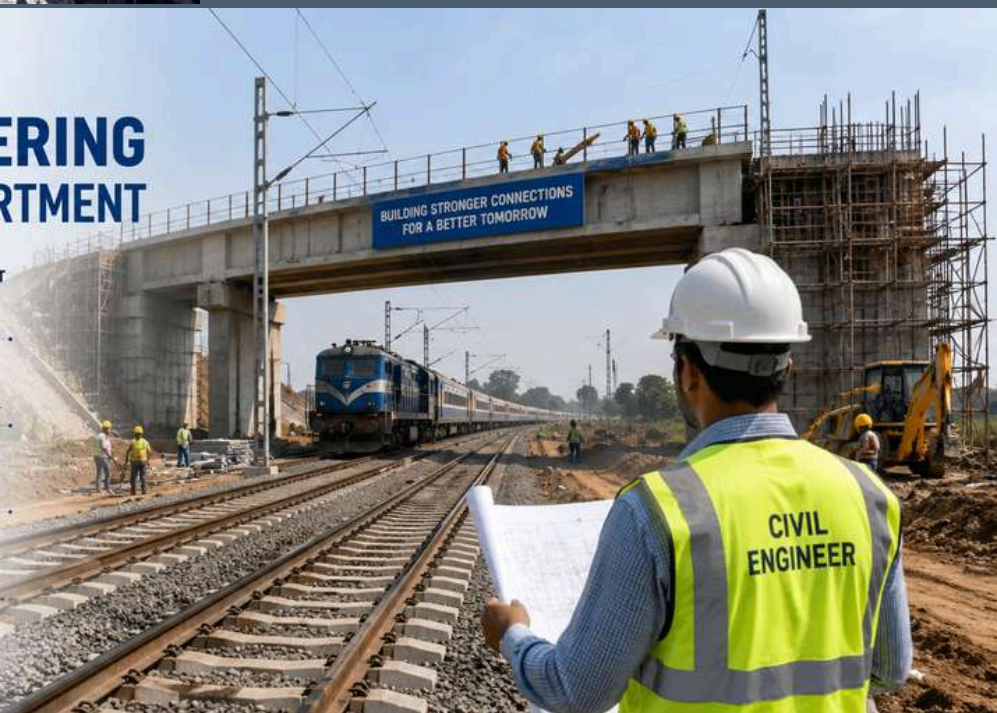

STATION CONSTRUCTION
Planning and construction of passenger stations with modern amenities.

MAINTENANCE & SAFETY
Ensuring safety, durability, and regular maintenance of railway assets.

SUSTAINABLE DEVELOPMENT
Using sustainable practices and eco-friendly materials for long-term infrastructure.
