## ABOUT [THE CREATOR]

"The Creator" is the official **Civil Engineering** Department **newsletter**, celebrating the spirit of **innovation, resilience, and excellence that defines our field**. Through insightful articles, highlights, project spotlights, and student achievements, we aim to inspire and inform our community. From groundbreaking infrastructure projects to sustainable engineering solutions, "The Creator" serves as a platform to showcase the remarkable contributions of our students, faculty, and alumni. Join us as we build knowledge, share experiences, and shape the future of civil engineering—one creation at a time.

## OUR VISION MISSION STATEMENT

To impart technical knowledge and skills in the field of Civil Engineering, fostering human values, entrepreneurial skills and social awareness.

M1 : To provide technical knowledge and skill relevant to Civil Engineering industry.

M2 : To inculcate ethical values, professionalism and social responsibility.

M3 : To mentor student for innovative thinking with relevance to entrepreneurial skills and environmental sustainability.

## Project Guidance Session

An Expert Lecture was successfully organized on 23rd July 2024 (1:30 PM – 2:30 PM) at the Department of Civil Engineering,

The session was conducted by our esteemed Resource Person, **Dr. Lalit B. Pawar**, Assistant Professor, Civil Engineering Department, SNJB's SKBJ College of Engineering, Chandwad.

## TOPIC COVERED

- Project Selection Strategies
- Research Methodologies
- Project Planning and Presentation

## A special hardware unit for circular buffering is user

The lecture focused on providing valuable insights into Third Year Project Guidance, aimed at helping students in planning, execution, and successful completion of their academic projects. A total of 37 students from the Third Year Civil Engineering Department actively participated and benefitted from the session.

The program was well-coordinated by Mr. N. R. Savandre and Mr. A. M. Khaimar, under the guidance of Mr. D. B. Pawar, Head of the Civil Engineering Department, and Dr. V. A. Wankhede, the respected Principal.

## Impact of Screen Time on Body and Mind

The Civil Engineering Department organized an insightful expert session titled "Impact of Screen Time and Its Hazardous Effects on Body and Mind" for all Civil Engineering students. The session was delivered by Dr. Mrs. Sapna Thorat, Head of the Forensic Medicine and Toxicology Department, Medical College, Chandwad.

### Main Topics Covered

- 1. Physical Health Impacts:** Dr. Thorat discussed the adverse effects of prolonged screen time, including eye strain, posture-related issues, and sleep disturbances.
- 2. Mental Health Consequences:** Insights were shared on how excessive screen exposure can lead to stress, anxiety, and reduced cognitive focus.
- 3. Preventive Measures:** Practical strategies were provided to mitigate screen time effects, such as time management, ergonomic practices, and mindfulness techniques.

The event was successfully coordinated by Mrs. R. N. Bachhav and Mrs. A. P. Vakte, under the guidance of HOD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede.

## AMAZING CIVIL ENGINEERING INNOVATIONS

**Innovation:** PV glazing transforms building facades into solar panels, generating electricity while maintaining aesthetics, as tested in Japan's train stations.

**Impact:** Reduces carbon footprints and energy costs, integrating renewable energy into urban infrastructure.

**Photo Description:** A sleek glass building facade with embedded PV panels, reflecting sunlight and powering the structure.

### CIVIL ENGINEERING DEPARTMENT ORGANIZES INDUSTRIAL VISIT TO RAJDHERWADI

Department of Civil Engineering successfully conducted an industrial visit for third-year students to Rajdherwadi Village. The visit focused on a local water retaining structure, providing students with invaluable practical insights.

This educational trip was designed to bridge the gap between theoretical knowledge and real-world application for key courses, including Water Resource Engineering (22501), Rural Development (22505), and CPP (22058). Students had the opportunity to observe engineering principles in action, enhancing their understanding of water resource management and rural infrastructure development.

The visit was excellently organized by faculty members Mr. K. K. Kale, Mrs. A. P. Vakte, Mr. N. R. Savandre, and Mr. R. B. Bagul. The event was conducted under the able guidance of Prof. D. B. Pawar, Head of the Civil Engineering Department, and with the full support of our Respected Principal.

### EXPERT SESSION ON RESUME MAKING AND INTERVIEW TECHNIQUES GUIDES FINAL YEAR CIVIL ENGINEERING STUDENTS

The Department of Civil Engineering at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic, Chandwad, organized a vital expert session on "Resume Making and Interview Techniques" for its final year students on August 24, 2024. The session aimed to equip students with the professional skills necessary to excel in the competitive job market.

The event featured esteemed resource person Mr. Harshal S. Deore, who serves as an Assistant Professor and the Training and Placement Officer at SNJB's KBJ College of Engineering, Chandwad. Mr. Deore shared invaluable insights and practical tips on crafting impactful resumes and confidently handling job interviews. A total of 54 students attended the session and benefited from his expert guidance.

The event was successfully coordinated by Mrs. R.N. Bachhav, Head of the Civil Engineering Department, and Mr. D.B. Pawar. The program was conducted under the valuable guidance of Principal Dr. V. A. Wankhede. This initiative was a significant step in preparing students for their future careers and upcoming placement opportunities.

- **Job Interview:** The formal meeting to assess your suitability for a role.
- **Technical Round:** Where your core civil engineering knowledge is tested.
- **HR Round:** Focuses on your personality, goals, and cultural fit.
- **STAR Method:** A technique to answer behavioral questions (Situation, Task, Action, Result).
- **Body Language:** Non-verbal cues like posture, eye contact, and handshakes.
- **Professional Attire:** Dressing appropriately for the company culture.
- **Mock Interview:** Practicing with a friend or mentor to build confidence.
- **Follow-up:** Sending a thank-you email after the interview.

## BRIDGING THEORY AND PRACTICE: A VISIT TO THE CHANDWAD WATER TREATMENT PLANT

To provide students with crucial hands-on experience, the Department of Civil Engineering organized an industrial visit to the Chandwad Water Treatment Plant on August 22, 2024. The third-year students, as part of their curriculum for Public Health Engineering (22504), witnessed firsthand the large-scale processes of water purification, quality control, and supply management. This experiential learning opportunity was invaluable in connecting classroom theories with the practical challenges and solutions in public infrastructure. The event was meticulously planned and executed by Mrs. R.N. Bachhav, Mrs. A.P. Vakte, and Mr. N.R. Savandre. The department extends its gratitude to HOD Prof. D.B. Pawar and Principal Dr. V.A. Wankhede for their unwavering support and guidance.

## SNJB Polytechnic Fosters Creativity and Awareness During Anti-Ragging Week

A huge round of applause for our talented Second-Year student, Bagul Vedant Pandharinath, who won the first prize in the Poster Competition held during Anti-Ragging Week. The prize distribution ceremony on August 21, 2024, celebrated the creative efforts of all participants who contributed to the important cause of preventing ragging on campus. The event, organized by the Anti-Ragging committee, was a great success thanks to the leadership of Coordinator Mrs. M.M. Wagh and the support of all HODs and Principal Dr. V.A. Wankhede.

### INDUSTRIAL VISIT TO NEW BAMS COLLEGE BUILDING, CHANDWAD

The Department of Civil Engineering organized an Industrial Visit to the New BAMS Building construction site at Chandwad for Third Year Civil Engineering students. The visit was conducted under the course Design of Steel and RCC Structures (22502) to provide students with practical exposure to construction techniques and structural design concepts.

During the visit, students observed various stages of construction, reinforcement detailing, and safety practices, helping them connect classroom learning with real-world applications.

The visit was well organized by Mr. K. K. Kale, Mr. N. R. Savandre, and Mr. R. R. Kotwal, under the guidance of Prof. D. B. Pawar (HoD) and the leadership of Dr. V. A. Wankhede (Principal).

The Department of Civil Engineering organized an Industrial Visit to the Nirmiti Infrastructure Warehouse, Sogrus for Third Year Civil Engineering students under the course Design of Steel and RCC Structure (22502).

The visit aimed to provide students with practical exposure to modern construction materials, steel structure design, and warehouse construction practices. Students gained valuable insights into reinforcement detailing, load distribution, and site safety management.

The visit was well organized by Mr. K. K. Kale, Mr. N. R. Savandre, and Mr. R. R. Kotwal, under the guidance of Prof. D. B. Pawar (HOD) and the leadership of Dr. V. A. Wankhede (Principal).

### ENGINEERS DAY 2K24 – POSTER COMPETITION

The Department of Civil Engineering of SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic, Chandwad, in association with the ISTE Student Chapter and CESA, organized a creative Poster Competition on the occasion of Engineers Day 2K24 held on 25th September 2024. The competition encouraged students to showcase their innovative ideas and artistic talents through themes such as The Power of Social Media, Democracy in Action, and AI in Civil Engineering. Students from various departments actively participated, displaying posters that beautifully blended creativity, technical knowledge, and social awareness.

The event was held under the guidance of Principal Dr. V. A. Wankhede and HoD (Civil) Mr. D. B. Pawar, who appreciated the enthusiasm and efforts of the participants. The judges evaluated the posters based on creativity, message, and presentation. The event concluded successfully with the distribution of prizes and certificates, highlighting the Civil Engineering Department's dedication to nurturing innovation, teamwork, and creativity among budding engineers.

### ENGINEERS DAY 2K24 – POSTER COMPETITION

On 27th September 2024, the Department of Civil Engineering of SNJB's Shri Hiralal Hastimal Jain Brothers (HHJB) Polytechnic, Chandwad, organized an Industry Institute Interaction Visit to Nashik. The visit aimed to strengthen ties between academia and industry while exploring the latest advancements in material testing and civil engineering practices. Faculty members visited MERI, Nashik, to understand the application and functioning of advanced instruments used for material testing and research purposes. During the visit, the department signed Memorandums of Understanding (MoUs) with reputed industries owned by institute alumni — Mr. Pramod Murkewar (Ishani Enterprises, Batch 2001-02), Mr. Hrushikesh Summanwar (Liberty Group, Batch 1991-92), Mr. Pramod Patel (Mehul & Prabhat Construction, Batch 1991-92), and Mr. Chetan & Mr. Saket Lomate (Kimaya Steel, Batch 1999-2000).

The initiative was successfully organized by Mr. R. B. Bagul, Mr. K. K. Kale, and Mrs. R. N. Bachhav, under the guidance of HoD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede, with continuous encouragement and motivation from Hon. Shri Arvindji Bhansali and Hon. Shri Rajendrakumarji Bamb. The visit marked another milestone in fostering strong industry-institute collaboration and alumni engagement.

## INDUSTRIAL VISIT WTP PLANT

The Department of Civil Engineering at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic organized an industrial visit to the Wastewater Treatment Plant, Tapovan, Nashik for Third Year Civil Engineering students. The visit was conducted under the course Public Health Engineering (22504) to provide students with practical exposure to wastewater treatment processes and real-time plant operations.

A total of 45 students benefited from this educational visit. The visit was well organized by Mrs. R. N. Bachhav, Mrs. A. P. Vakte, Mr. N. R. Savandre, Mr. R. B. Bagul, and Mr. G. D. Bhure under the guidance of HoD Mr. D. B. Pawar and with the support of the respected Principal Dr. V. A. Wankhede.

On 11/10/2024, the Civil Engineering Department of SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic organized a field visit to the proposed Library Building, Chandwad (near Law College) under Civil Engineering Workshop (311010). The visit helped students understand foundation and substructure components. A total of 55 First Year students benefited. The visit was organized by Mr. R. A. Ahirrao and Mr. S. G. Shete under the guidance of HoD Prof. D. B. Pawar and Principal Dr. V. A. Wankhede.

## EDUCATIONAL VISIT TO STATUE OF UNITY AND SARDAR SAROVAR DAM

The Department of Civil Engineering at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic organized an educational visit to the Statue of Unity and the Sardar Sarovar Dam for Second Year and Final Year students. The visit, conducted under the courses Water Resources Engineering (22501) and Design of Steel and RCC Structures (22502), aimed to enhance students' understanding of large-scale structural design and hydraulic engineering.

A total of 50 students benefited from the visit. It was well organized by Mrs. K. A. Kale, Mr. K. K. Kale, Mr. N. R. Savandre, Mr. R. R. Kotwal, and Miss S. R. Kawat under the guidance of HoD Mr. D. B. Pawar and the support of Principal Dr. V. A. Wankhede.

## INTERACTIVE SPORTS CLUB VISIT WITH OLYMPIAN ANIRBAN LAHIRI

The Department of Civil Engineering at SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic organized a visit under the Civil Engineering Sports Club for Second Year students at the Riverside Golf Course, Niphad. The visit featured an interactive session with Arjun Awardee Olympian Anirban Lahiri, inspiring students through insights on sportsmanship and discipline.

The visit was well arranged by Respected Galankar Sir (Administrative Officer, SNJB) and coordinated by Mr. R. A. Ahirrao and Ms. P. S. Sharma under the guidance of HoD Mr. D. B. Pawar and the support of Principal Dr. V. A. Wankhede.

The first batch of Civil Engineering students of SNJB's Shri Hiralal Hastimal (Jain Brothers, Jalgaon) Polytechnic successfully completed the Spoken Tutorial Training conducted by IIT Bombay. The training was coordinated by Mr. R. B. Mahajan under the guidance of HoD Mr. D. B. Pawar and Principal Dr. V. A. Wankhede.
